Write Like an Expert “This journal is a must-have for writers everywhere. With quotes from a diverse group of historical and modern authors to use as creative prompts on every page, you’ll be able to bring your writing inspiration with you wherever you go.” —Sassy Townhouse Living #1 New Release in Quotation References From famous all-time-great poets like T.S. Eliot to modern creatives like Roxane Gay, the selected writing quotes in this journal aim to instruct and inspire you to become a better writer. Writing Inspiration from Incredible Authors. Gathered by Brenda Knight and writing coach Nita Sweeney, author of *Depression Hates a Moving Target, You Should Be Writing* provides you with writing wisdom from a variety of accomplished authors. Creative Writing Practice for Every Genre. This writing journal with prompts helps you practice a wide variety of writing skills. The excerpts and prompts include: General advice: “Protect the time and space in which you write. Keep everybody away from it, even the people who are most important to you.” - Zadie Smith Helpful instructions: “If you scribble your thoughts any which way, your reader will surely feel that you care nothing about them.” - Kurt Vonnegut Genre-specific writing ideas and tips for particular areas of writing, such as poetry or storytelling: “For those whose bucket-list entails seeing their name on the spine of a book, it boils down to the power of persistence.” - Marlene Wagman-Geller If you were inspired by the creative writing prompts and advice in 642 Things to Write About, Complete the Story Journal, or Piccadilly 300 Writing Prompts, you’ll love Brenda’s and Nita’s *You Should Be Writing: A Journal of Inspiration & Instruction to Keep Your Pen Moving*. This essential creative writing guide will take you away from your desk, to return with new ideas, fresh insight, better writing skills, and a renewed passion for your novel. Suitable for both those who are seeking tried-and-tested strategies for revising a novel draft, and those who would like to generate a store of ideas before starting to write. NEW YORK TIMES BESTSELLER “An inspiring story that manages to be painful, honest, shocking, bawdy and hilarious.” —The New York Times Book Review From stand-up comedian, actress, and breakout star of *Girls Trip*, Tiffany Haddish, comes *The Last Black Unicorn*, a sidesplitting, hysterical, edgy, and unflinching collection of (extremely) personal essays, as fearless as the author herself. Growing up in one of the poorest neighborhoods of South Central Los Angeles, Tiffany learned to survive by making people laugh. If she could do that, then her classmates would let her copy their homework, the other foster kids she lived with wouldn’t beat her up, and she might even get a boyfriend. Or at least she could make enough money—as the paid school mascot and in-demand Bar Mitzvah hype woman—to get her hair and nails done, so then she might get a boyfriend. None of that worked (and she’s still single), but it allowed Tiffany to imagine a place for herself where she could do something she loved for a living: comedy. Tiffany can’t avoid being funny—it’s just who she is, whether she’s plotting shocking, jaw-dropping revenge on an ex-boyfriend or learning how to handle her newfound fame despite still having a broke person’s mind-set. Finally poised to become a household name, she recounts with heart and humor how she came from nothing and nowhere to achieve her dreams by owning, sharing, and using her pain to heal others. By turns hilarious, filthy, and brutally honest, *The Last Black Unicorn* shows the world who Tiffany Haddish really is—humble, grateful, down-to-earth, and funny as hell. And now, she’s ready to inspire others through the power of laughter. By merging scholarly writing with personal life stories, *Women Writing Women* creates a new setting for communicating the unique experiences of women. The interdisciplinary nature of this volume, incorporating authors’ ideas on identity, gender, and social realities, illuminates a rich diversity of experiences. To give voice to the different realities women live in and write from, the editors have divided the anthology into four sections: writing about the self; writing about the family and other intimate relationships; writing about the women they study; and writing about women from sources such as diaries and letters. Within this framework women touch on subjects such as ethnicity, sexuality, motherhood, and feminist versus traditional values. The result is a collection of essays that pays tribute to women’s complex realities and to their critical creativity in writing about those realities. Inspire students to develop as writers in the first grade classroom with these engaging and creative writing lessons. This classroom-tested resource shows positive results in students’ writing and simplifies the planning of writing instruction. It contains detailed information on how to establish and manage daily Writer’s Workshop and includes consistent, structured instruction to encourage students to actively participate in the writing process. Specific lessons to help students develop the traits of quality writing are also included. This resource develops college and career readiness skills and is aligned to today’s standards. Get your creative juices flowing with this collection of smart, funny, and thought-provoking writing prompts. Open to any page to be inspired, to express yourself, and to jump-start your literary genius. With a major emphasis on the craft of writing, discusses style, structure, vocabulary, grammar, punctuation, and spelling. This book will show you how your own personal experiences can provide you with an endless supply of ideas for your writing - whether fiction or non-fiction. You will learn how to write about what you know - and you certainly know a lot. The good news is that the older you are, and the older you get, the more experiences you have had - so you’ll always have something to write about. The author, Lynne Hackles, will show you how to make your own 'Raking up your past' file - using memories, lists, diaries, newspapers, smells, family trees, etc. Plus how to turn your own anecdotes, recounted to friends and family, into useful prose; and how to fashion the passed-down history of your ancestors into a family saga. With this book you'll also learn how to: \* Sell a snippet of conversation \* Make money by sharing secrets \* Take your boss and your best friend and come up with a new character \* Sell one event in your life to several different markets \* Impart knowledge you didn't think you had to people who didn't know they needed it \* Use the emotions, traumas, joys and experiences of your own life to make your writing stronger and more saleable With this book you'll never run out of ideas, and writer's block will be a thing of the past. Writing about Learning and Teaching in Higher Education offers detailed guidance to scholars at all stages-experienced and new academics, graduate students, and undergraduates-regarding how to write about learning and teaching in higher education. It evokes established practices, recommends new ones, and challenges readers to expand notions of scholarship by describing reasons for publishing across a range of genres, from the traditional empirical research article to modes such as stories and social media that are newly recognized in scholarly arenas. The book provides practical guidance for scholars in writing each genre-and in getting them published. To illustrate how choices about writing play out in practice, we share throughout the book our own experiences as well as reflections from a range of scholars, including both highly experienced, widely published experts and newcomers to writing about learning and teaching in higher education. The diversity of voices we include is intended to complement the variety of genres we discuss, enacting as well as arguing for an embrace of multiplicity in writing about learning and teaching in higher education. Ready to write your book? So why haven’t you done it yet? If you’re like most nonfiction authors, fears are holding you back. Sound familiar? Is my idea good enough? How do I structure a book? What exactly are the steps to write it? How do I stay motivated? What if I actually finish it, and it’s bad? Worst of all: what if I publish it, and no one cares? How do I know if I’m even doing the right things? The truth is, writing a book can be scary and overwhelming—but it doesn’t have to be. There’s a way to know you’re on the right path and taking the right steps. How? By using a method that’s been validated with thousands of other Authors just like you. In fact, it’s the same exact process used to produce dozens of big bestsellers—including David Goggins’s *Can’t Hurt Me*, Tiffany Haddish’s *The Last Black Unicorn*, and Joey Coleman’s *Never Lose a Customer Again*. The Scribe Method is the tested and proven process that will help you navigate the entire book-writing process from start to finish—the right way. Written by 4x New York Times Bestselling Author Tucker Max and publishing expert Zach Obront, you’ll learn the step-by-step method that has helped over 1,500 authors write and publish their books. Now a Wall Street Journal Bestseller itself, The Scribe Method is specifically designed for business leaders, personal development gurus, entrepreneurs, and any expert in their field who has accumulated years of hard-won knowledge and wants to put it out into the world. Forget the rest of the books written by pretenders. This is the ultimate resource for anyone who wants to professionally write a great nonfiction book. An indispensable and distinctive book that will help anyone who wants to write, write better, or have a clearer understanding of what it means for them to be writing, from widely admired writer and teacher Verlyn Klinkenborg. Klinkenborg believes that most of our received wisdom about how writing works is not only wrong but an obstacle to our ability to write. In *Several Short Sentences About Writing*, he sets out to help us unlearn that “wisdom”—about genius, about creativity, about writer’s block, topic sentences, and outline—and understand that writing is just as much about thinking, noticing, and learning what it means to be involved in the act of writing. There is no gospel, no orthodoxy, no dogma in this book. Instead it is a gathering of starting points in a journey toward lively, lucid, satisfying self-expression. This version of the best selling college handbook includes a tabbed section called Writing about Literature, a practical guide to interpreting works of literature and to planning, composing, and documenting papers about literature. Students will find help with forming and supporting an interpretation, avoiding plot summary, integrating quotations from a literary work, observing the conventions of literature papers, and using secondary sources. Writing about Literature also includes two sample student essays — one that uses primary sources and one that uses primary and secondary sources. The full primary texts are also included. Writing about Literature is also available in a packageable, stand-alone booklet (ISBN: 978-0-312-65684-3). Contact your sales representative or sales\_support@bfwpub.com for a copy. Based on Wardle and Downs’ research, the first edition of *Writing about Writing* marked a milestone in the field of composition. By showing students how to draw on what they know in order to contribute to ongoing conversations about writing and literacy, it helped them transfer their writing-related skills from first-year composition to other courses and contexts. Now used by tens of thousands of students, *Writing about Writing* presents accessible writing studies research by authors such as Mike Rose, Deborah Brandt, John Swales, and Nancy Sommers, together with popular texts by authors such as Malcolm X and Anne Lamott, and texts from student writers. Throughout the book, friendly explanations and scaffolded activities and questions help students connect to readings and develop knowledge about writing that they can use at work, in their everyday lives, and in college. The new edition builds on this success and refines the approach to make it even more teachable. The second edition includes more help for understanding the rhetorical situation and an exciting new chapter on multimodal composing. The print text is now integrated with e-Pages for Writing about Writing, designed to take advantage of what the Web can do. The conversation on writing about writing continues on the authors’ blog, *Write On: Notes on Writing about Writing* (a channel on Bedford Bits, the Bedford/St. Martin’s blog for teachers of writing). Everyone loves a children’s book. And many dream about writing one. But is it actually possible for an unpublished writer—armed with a good story idea and a love of kids—to write, sell, publish, and promote a book? Yes, it is! Veteran children’s book publishing executive and author Lisa Rojany Buccieri and author Peter Economy show you how, in their incredibly useful 2005 first edition of *Writing Children’s Books For Dummies*®. Buccieri and Economy begin by explaining the basics of the children’s book business, from the nuts and bolts of the various formats and genres—with helpful illustrations to aid you—to the intricacies of the book publishing market, a list of recent award-winning books, and a first peek into the particular mind set that writing children’s books requires. (Hint: Throw out the adult rules, and think like a kid!) Then the authors dive into the actual writing process itself, with tips on setting up a workspace, brainstorming great book ideas, researching the subject you decide on, even speaking with the sorts of kids you hope will eventually read the book. They show you how to create compelling characters and develop them in the manuscript; how to outline and write a plot “arc” of conflict, change, and resolution; how to master the difficult art of writing dialogue; and how to use active (rather than passive) language to keep your story moving along and interesting to young minds. Or, if you’re planning to write a creative nonfiction children’s book—on a topic such as science, nature, or a historical figure, for example—the authors include a chapter on this, too. Ready, set, go... it’s time to sit down and write! Once you’ve finished your book, however, the process has only begun. Now you will refine, submit, and hopefully sell your manuscript. Here again, the authors of *Writing Children’s Books For Dummies* come through for you. They deliver solid advice on hiring an illustrator—or not; participating in workshops and conferences to learn the business and hone a story; finding an agent; and, finally, submitting the manuscript to publishers and—if you are successful—signing a contract. Along the way, the authors also include tips on handling rejection; a quick primer on the various editors in publishing houses (and how they work to make your book its best); and making a plan to publicize the book, including hiring a publicist if necessary. Like all *For Dummies*® books, *Writing Children’s Books For Dummies* highlights “The Part of Tens,” which includes the Ten Best Ways to Promote Your Story and More Than Ten Great Sources for Storylines. And the ever-helpful Cheat Sheet includes Tips for Editing your Children’s Book Manuscript, Children’s Book No-No’s, Twelve Commandments for Writing Younger Children’s Books, and Tips on Promotion. From setting down that first word on paper to doing a successful publicity tour, *Writing Children’s Books For Dummies* gives you the confidence and the insiders’ know-how to write and sell the story you’ve always wanted to write. *DIV* In her entertaining and edifying New York Times bestseller, acclaimed author Francine Prose invites you to sit by her side and take a guided tour of the tools and tricks of the masters to discover why their work has endured. Written with passion, humour and wisdom, *Reading Like a Writer* will inspire readers to return to literature with a fresh eye and an eager heart – to take pleasure in the long and magnificent sentences of Philip Roth and the breathtaking paragraphs of Isaac Babel; to look to John le Carré for a lesson in how to advance plot through dialogue and to Flannery O’Connor for the cunning use of the telling detail; to be inspired by Emily Brontë’s structural nuance and Charles Dickens’s deceptively simple narrative techniques. Most importantly, Prose cautions readers to slow down and pay attention to words, the raw material out of which all literature is crafted, and reminds us that good writing comes out of good reading. /div Open a new world of communicationChildren have a lot to say, whether through gestures, movements, pictures or words. American Sign Language incorporates all of these natural skills, and Cindy Wheeler’s book, using helpful hints and picture clues, makes these signs accessible to even the youngest child. To make the sign for tiger, show the stripes on his face, or for please, rub your heart. More Simple Signs introduces 29 words from a young child’s everyday life. And the hand sign alphabet is included on the endpapers for children ready for the extra challenge. “The result is a broader understanding: children don’t simply learn a few words in a new language; they learn that there’s a completely different world of communication”. -- Booklist for Simple Signs George Orwell set out “to make political writing into an art”, and to a wide extent this aim shaped the future of English literature – his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While 1984 and Animal Farm are amongst the most popular classic novels in the English language, this new series of Orwell’s essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In *Why I Write*, the first in the Orwell’s Essays series, Orwell describes his journey to becoming a writer, and his movement from writing poems to short stories to the essays, fiction and non-fiction we remember him for. He also discusses what he sees as the ‘four great motives for writing’ – ‘sheer egoism’, ‘aesthetic enthusiasm’, ‘historical impulse’ and ‘political purpose’ – and considers the importance of keeping these in balance. *Why I Write* is a unique opportunity to look into Orwell’s mind, and it grants the reader an entirely different vantage point from which to consider the rest of the great writer’s oeuvre. ‘A writer who can – and must – be rediscovered with every age.’ — Irish Times If writing about music is like dancing about architecture, you’d do best to hone your chops and avoid clichés (like the one that begins this sentence) by learning from the prime movers. How to Write About Music offers a selection of the best writers on what is perhaps our most universally beloved art form. Selections from the critically-acclaimed 33 1/3 series appear alongside new interviews and insights from authors like Lester Bangs, Chuck Klosterman, Owen Pallett, Ann Powers and Alex Ross. How to Write About Music includes primary sources of inspiration from a variety of go-to genres such as the album review, the personal essay, the blog post and the interview along with tips, writing prompts and advice from the writers themselves. Music critics of the past and the present offer inspiration through their work on artists like Black Sabbath, Daft Punk, J Dilla, Joy Division, Kanye West, Neutral Milk Hotel, Radiohead, Pussy Riot and countless others. How to Write About Music is an invaluable text for all those who have ever dreamed of getting their music writing published and a pleasure for everyone who loves to read about music. A guide to writing includes discussions of style, humor, genre fiction, editing, promotion, and children’s books Writing about Literature combines detailed practical and scholarly advice with a sense of the scope and creative possibilities of literary criticism, empowering the student reader to make his or her own discoveries and experiments with language. In addition, it gives valuable guidance on adult language learning and translation skills for students of foreign literature. This handy, accessible guide covers all aspects of the essay-writing process, including: preliminary reading and choosing and researching a topic referencing and presentation computer use style, structure, vocabulary, grammar and spelling the art and craft of writing scholarly and personal insights into the problems and pleasures of writing about literature. Written in an entertaining and informative way and containing a wealth of practical advice and scholarly insights, this wise, witty and helpful book should be on every literature student’s bookshelf. Philip Gerard analyses books that make a difference, fiction and non-fiction, classic and contemporary, and identifies the elusive ingredients that work together to produce a book that changes minds and lives. No one is better qualified to help with the writing process than a passionate editor with years of experience. Betsy Lerner, one of the most admired of American book editors, is such a one – and in this book she shares her editorial wisdom and provides a unique insider’s understanding of the publishing process. From her long experience working with successful writers and discovering new voices, Betsy Lerner looks at different writer personality types; addresses

the concerns of writers just getting started as well as those stalled mid-career; and describes the publishing process from the thrill of acquisition to the agony of the remainder table. Written with insight, humour and great common sense, this is the ultimate survival kit for writers everywhere. Writing a book is fun and easy--yes, FUN AND EASY--but it may not always feel that way. How do you find the time to write? How do you keep momentum? How do you deal with the horror of showing anyone a single sentence of your work-in-progress? The answers remain fun and easy, and author Elizabeth Sims will take your hand, dispel your worries, and show you how it's done in this stress-free guide to accomplishing your dream of writing your book. In *You've Got a Book in You*, Elizabeth is that encouraging voice guiding you through the entire process, from finding the right time and place to gathering all of your creative tools to diving right in and getting it done--page by page, step by step. It's easier than you think, and it all starts right here, right now. "This guide is witty, warm, and wise--and wonderfully down-to-earth as well. Elizabeth Sims doesn't just tell you that you've got a book in you, she shows you how to pour it out using your own creative spirit, common sense, and persistence." ~Lori L. Lake, author of *The Gun Series* and *The Public Eye Mystery Series* "If you're searching for the spark of inspiration to get started writing a book, and the nourishment to sustain you to THE END, Elizabeth Sims's *You've Got a Book in You* will show you how to find it in yourself." ~Hallie Ephron, award-winning author of *There Was an Old Woman* "You won't find an easier-to-follow or more inspirational writing guide." ~L.J. Sellers, author of the bestselling Jackson mysteries "By focusing the high beams of her intelligence (and humor!) on the twisty trail of book-writing, in *You've Got a Book in You*, Elizabeth Sims proves herself a true writer's friend. As she guides you from the creation of a "working title" through her (brilliant!) "Making-It-Better Process," this well-established pro plays her most impressive cards--stacking the deck in favor of YOU!" ~Jamie Morris, Director, Woodstream Writers "Elizabeth Sims packs a twelve-week writing course into 280 pages. Inspirational and yet extremely hands-on, *You've Got a Book In You* will give newbies confidence to forge ahead and will remind veteran writers why they began writing in the first place--for the joy of it. I won't be surprised when the brilliant terms 'stormwriting' and 'heartbrain' become part of every writer's lexicon." ~Julie Compton, author of *Tell No Lies and Keep No Secrets* "The book is encouraging and inspiring, practical and witty. As a seasoned writer, I appreciate the reminders about the importance of putting yourself on a writing schedule. No more excuses. The many 'writing blasts' are very helpful and will get any writer out of the starting blocks. I especially enjoyed the section, 'Writing with the Masters.' What better way to get inspired, get a feel for different styles, and get jump-started on your writing? Excellent advice that I plan to incorporate in my future classes. I concur with Sims that 'writer's block' is greatly exaggerated. Is there any other profession that claims such a phenomenon? 'Excuse me, but I have 'book-keeping block,' 'playing music block,' or 'painting block' today? I don't think so. Get yourself on a schedule, read some Sims, write with the masters, and you'll be on your way. You'll be glad you met this friend on your journey to becoming a successful writer." ~Gesa Kirsch, Ph.D., Professor of English, Director of Valente Center for the Arts and Sciences, Bentley University With hit books that support strategic reading through conferring, small groups, and assessment, Jen Serravallo gets emails almost daily asking, "Isn't there a book of the strategies themselves?" Now there is. "Strategies make the often invisible work of reading actionable and visible," Jen writes. In *The Reading Strategies Book*, she collects 300 strategies to share with readers in support of thirteen goals--everything from fluency to literary analysis. Each strategy is cross-linked to skills, genres, and Fountas & Pinnell reading levels to give you just-right teaching, just in time. With Jen's help you'll: develop goals for every reader give students step-by-step strategies for skilled reading guide readers with prompts aligned to the strategies adjust instruction to meet individual needs with Jen's Teaching Tips craft demonstrations and explanations with her Lesson Language learn more with Hat Tips to the work of influential teacher-authors. Whether you use readers workshop, Daily 5/CAFE, guided reading, balanced reading, a core reading program, whole-class novels, or any other approach, *The Reading Strategies Book* will complement and extend your teaching. Rely on it to plan and implement goal-directed, differentiated instruction for individuals, small groups, and whole classes. "We offer strategies to readers to put the work in doable terms for those who are still practicing," writes Jen Serravallo. "The goal is not that they can do the steps of the strategy but that they become more comfortable and competent with a new skill." With *The Reading Strategies Book*, you'll have ways to help your readers make progress every day. The author shares his insights into the craft of writing and offers a humorous perspective on his own experience as a writer. "Begins with an essay on the various ways to capture human complexity and then provides a series of prompts for producing an assortment of unique characters. ... This book is designed for practicing your creative writing a little bit at a time."--Page 4 of cover Following the success of several recent inspirational and practical books for would-be writers, *Poemcrazy* is a perfect guide for everyone who ever wanted to write a poem but was afraid to try. Writing workshop leader Susan Wooldridge shows how to think, use one's senses, and practice exercises that will make poems more likely to happen. Brenda Ueland was a journalist, editor, freelance writer, and teacher of writing. In *If You Want to Write: A Book about Art, Independence and Spirit* she shares her philosophies on writing and life in general. Ueland firmly believed that anyone can write, that everyone is talented, original, and has something important to say. In this book she explains how find that spark that will make you a great writer. Carl Sandburg called this book the best book ever written about how to write. Join the millions of others who've found inspiration and unlocked their own talent. When it comes to value, *Rules* Rules for Writers is a college writer's companion that covers writing, grammar, research, and documentation in an extremely affordable and portable spiral-bound format. From the best-selling family of handbooks, *Rules* has consistently been the best value for college writers. Now it's even more so. The Seventh Edition actually teaches students how to make better use of their handbook. With new material about how to integrate the handbook into lessons and class activities, *Rules* for Writers is an even more useful tool for instructors "We like *Rules* because it's affordable, easy to use, and flexible enough for multiple courses." — Anne Helms, Alamance Community College "Writing Talk includes interviews with nineteen well-known contemporary writers, exploring the ways in which they research and find their original ideas and the way they interpret, hone and develop them. The conversations examine the roles of technique, craft, language, reading, memory, serendipity, habit and persistence. They offer technical detail about the creative process and give unique insights into the borderlands between genres as well as offering rich, personal insights and universal resonances. A thorough introduction surveys the reasons why we are intrigued by the mysteries of individual writing practice and how these illuminate critical attitudes to literature and performance. Interviewees: Alan Ayckbourn, Iain Banks, Helen Blakeman, Louis de Bernières, Sarah Butler, Andrew Cowan, Jenny Diski, Patricia Duncker, David Edgar, Tanika Gupta, Richard Holmes, Hanif Kureishi, Bryony Lavery, Toby Litt, Kareem Mortimer, Michèle Roberts, Jane Rogers, Willy Russell, Sally Wainwright"-- A completely practical workbook that offers down-to-earth ideas and suggestions for writers or aspiring writers to get you started and to keep you going. First published a decade ago, *A Writer's Book of Days* has become the ideal writing coach for thousands of writers. Newly revised, with new prompts, up-to-date Web resources, and more useful information than ever, this invaluable guide offers something for everyone looking to put pen to paper — a treasure trove of practical suggestions, expert advice, and powerful inspiration. Judy Reeves meets you wherever you may be on a given day with: • get-going prompts and exercises • insight into writing blocks • tips and techniques for finding time and creating space • ways to find images and inspiration • advice on working in writing groups • suggestions, quips, and trivia from accomplished practitioners Reeves's holistic approach addresses every aspect of what makes creativity possible (and joyful) — the physical, emotional, and spiritual. And like a smart, empathetic inner mentor, she will help you make every day a writing day. No other book can better prepare you to work as a writer in the technical world, to write better about technology for a nontechnical audience, or to understand how the ever-more-important writer can help fill the technology gap between the knows and know-nots. Book jacket. One of the most important skills we can learn as we grow is how to write and spell. One way to encourage your children to get excited about writing is by offering them a journal with writing prompts. In this way, they will have ideas for journaling without stressing about what to write about. In this 6 x 9 elementary school journal, there is 155 pages full of fun creative writing prompts to help your little writer hone their skills and learn to enjoy the art of journaling. On every page is also a colorful cartoon element that is related to the school theme. Here is an example of some of the journal prompts found within the pages: Write a thank you note to a friend who gave you garlic and onion flavored chewing gum. I have never been more frightened than when.... In 20 years from now I will be.... Write about a day you would like to forget Invent and describe a new food Bonus 10 full size coloring pages! This journal is the perfect size to throw in your child's backpack when they are going on a trip. This way they will be able to keep up the habit of daily writing. "Raymond has a gift for dispensing gentle, intelligent advice that even the most harried and overworked will find inspiring...Everyday Writing gives us permission to call ourselves writers, and found time to practice our craft." —The Writer magazine "Raymond writes in a way that gives the reader real hope that a writing life is possible...Everyday Writing is a book worth owning and pocketing for those who struggle to make time for writing." —Portland Book Review "Everyday Writing is just what writers need...Raymond's writing style is as engaging as her advice, and the writing prompts can be used for any project." —Savvy Verse & Wit How to be a writer even when you can't write every day... Writers are often told that in order to succeed, they must write every day—yet this isn't realistic or feasible for writers with families, day jobs, and other responsibilities that preclude a daily writing practice. *Everyday Writing* is about how to be a writer every day, even if you're unable to sit down to write every day. This book provides dozens of tips for busy writers, including how to create your ideal writing space, how to develop habits that work for you, and how to keep your projects moving forward even when you're short on time. *Everyday Writing* also offers more than 150 prompts to fit into any writer's life, from five-minute prompts you can do in a grocery store line to lengthy prompts that are perfect for a writing retreat. Whether you'd like to generate new material, free yourself from writer's block, or start a revision, these writing exercises provide a way to engage immediately with your work. You're going to love the way Paula LaRocque teaches in *The Book on Writing*. A celebrated writing coach with a sense of humor and a gentle touch, she's also a master writer herself with a long and distinguished career in both teaching and practicing the art of writing. *The Book on Writing* contains 25 chapters in three sections: • A dozen essential but easy-to-apply guidelines to good writing, from the importance of clarity to the value of a conversational tone. Paula LaRocque believes learning is easier and more successful when we are not only told but also shown. So her *Book on Writing* is chockfull of actual writing examples that supplement and illustrate principles that apply as naturally to fiction as they do to nonfiction. • How to tell a story—from building suspense, to effective description, to the uses of metaphor and literary devices. Paula LaRocque also deals with the narrative "engine" and the value of the archetype in plotting and characterization—as well as with pace and speed and leveling what she terms writing's "speedbumps." • A clear and concise handbook that deals with common problems in grammar, usage, punctuation, and style—the kind of problems that often trouble even wordsmiths. The handbook also debunks pesky language "rules" that are actually myths. *The Book on Writing* is one-stop shopping for writers. Read it once, and you'll be a better writer. Read it often, and you'll be among the best.
