The main part of the Activator is an alphabetical presentation of 212 verbs, conjugated in 7 tenses and 3 moods. Each verb is presented on a separate page. Authors have also provided a Bulgarian-English dictionary of 55 cognate verbs - these are verbs that have the same base and meaning as their English counterparts. Then users will find an Index of 106 more verbs, formed out of verbs presented in the Activator, using various prefixes. Each verb is followed by a reference to a page where you can find a conjugated verb serving as a model. In the Activator users can also find an English-Bulgarian Dictionary of all conjugated verbs, which will help them to check the meaning and the forms of the verb they are looking for. **Vexed by French verbs?
