unpacks the power of grace in a way that can completely change your life... Throughout the study, you'll explore the book of Romans with Max to gain a deeper understanding of its context and content, focusing on central truths such as: The extent and power of sin. The amazing reality and availability of God's grace. The battle we're still in, and the hope we have despite the lies of the enemy. The grand story—from creation to restoration—that we're all a part of. The call to live in fellowship with each other and with Christ. Using Jesus' hidden years as inspiration, Alicia Chole memorably demonstrates how to: Resist resentment when your accomplishments go unnoticed Repurpose your own hidden years and experience deep growth Resolutely live out God's dreams for you with integrity and confidence We all experience times of hiddenness, when our potential is unseen and our abilities remain uncelebrated. This book will encourage you to not rush through those times by reminding you that these anonymous seasons of the soul hold enormous power to cultivate character traits that cannot be developed any other way!

[The Master Plan](#) Dec 31 2020 The inspiring, instructive, and ultimately triumphant memoir of

a man who used hard work and a Master Plan to turn a life sentence into a second chance.

Growing up in a tough Washington, D.C., neighborhood, Chris Wilson was so afraid for his life he wouldn't leave the house without a gun.

One night, defending himself, he killed a man. At eighteen, he was sentenced to life in prison with no hope of parole. But what should have been the end of his story became the beginning.

Deciding to make something of his life, Chris embarked on a journey of self-improvement--reading, working out, learning languages, even starting a business. He wrote his Master Plan: a list of all he expected to accomplish or acquire. He worked his plan every day for years, and in his mid-thirties he did the impossible: he convinced a judge to reduce his sentence and became a free man. Today Chris is a successful social entrepreneur who employs returning citizens; a mentor; and a public speaker. He is the embodiment of second chances, and this is his unforgettable story.

Pathway to Freedom Aug 07 2021 God's code of conduct is as relevant and insistent today as it's always been. The landscape of contemporary society reveals that we neither know nor care much about the Law of God. There is: A general lawlessness in the lives of professing Christians. An absence of the fear of God in public worship and private living. A growing confidence in ourselves and doubt concerning God and His Word. Amidst this moral crisis, the message of the Ten Commandments can give us order, direction, and hope. With dynamic implications for how each of us lives every day, Pathway to Freedom will challenge you to think long and hard about the significance of God's Law. "We have entered into a time of moral crisis in our culture and in the church as well. Stories about divorce, adultery, and the individualized picking and choosing of doctrines abound. Pathway to Freedom is forthright and necessary teaching that today's church cannot afford to ignore. How now shall we live? The beginning of the answer

must be in obedience to God's moral law summarized in the Ten Commandments." —CHARLES COLSON, PRISON FELLOWSHIP MINISTRIES, WASHINGTON, D.C.

Grateful Mar 02 2021 The Wilbur Award-winning book Grateful is now available in paperback and with an updated subtitle. If gratitude is good, why is it so hard to do? In Grateful, Diana Butler Bass untangles our conflicting understandings of gratitude and sets the table for a renewed practice of giving thanks. We know that gratitude is good, but many of us find it hard to sustain a meaningful life of gratefulness. Four out of five Americans report feeling gratitude on a regular basis, but those private feelings seem disconnected from larger concerns of our public lives. In Grateful, cultural observer and theologian Diana Butler Bass takes on this "gratitude gap" and offers up surprising, relevant, and powerful insights to practice gratitude. Bass, author of the award-winning *Grounded* and ten other books on spirituality and culture, explores the transformative, subversive power of gratitude for our personal lives and in communities. Using her trademark blend of historical research,

spiritual insights, and timely cultural observation, she shows how we can overcome this gap and make change in our own lives and in the world. With honest stories and heartrending examples from history and her own life, Bass reclaims gratitude as a path to greater connection with god, with others, with the world, and even with our own souls. It's time to embrace a more radical practice of gratitude—the virtue that heals us and helps us thrive.
