The Voice as Something More Feb 26 2023 In the contemporary world, voices are caught up in fundamentally different realms of discourse, practice, and culture: between sounding and nonsounding, material and nonmaterial, literal and metaphorical. In *The Voice as Something More*, Martha Feldman and Judith T. Zeitlin tackle these paradoxes with a bold and rigorous collection of essays that look at voice as both object of desire and material object. Using Mladen Dolar's influential *A Voice and Nothing More* as a reference point, *The Voice as Something More* reorients Dolar's psychoanalytic analysis around the material dimensions of voices—their physicality and timbre, the fleshiness of their mechanisms, the veils that hide them, and the devices that enhance and distort them. Throughout, the essays put the body back in voice. Ending with a new essay by Dolar that offers reflections on these vocal aesthetics and paradoxes, this authoritative, multidisciplinary collection, ranging from Europe and the Americas to East Asia, from classics and music to film and literature, will serve as an essential entry point for scholars and students who are thinking toward materiality.

**Hip Hop Into Reading Series** Apr 28 2023  
**Constructing (in)competence** Sep 09 2021 Competence and incompetence are constructs that emerge in the social milieu of everyday life. Individuals are continually making and revising judgments about each other's abilities as they interact. The flexible, situated view of competence conveyed by the research of the authors in this volume is a departure from the

way that competence is usually thought about in the fields of communication disabilities and education. In the social constructivist view, competence is not a fixed mass, residing within an individual, or a fixed judgment, defined externally. Rather, it is variable, sensitive to what is going on in the here and now, and coconstructed by those present. Constructions of competence are tied to evaluations implicit in the communication of the participants as well as to explicit evaluations of how things are going. The authors address the social construction of competence in a variety of situations: engaging in therapy for communication and other disorders, working and living with people with disabilities, speaking a second language, living with deafness, and giving and receiving instruction. Their studies focus on adults and children, including those with disabilities (aphasia, traumatic brain injury, augmentative systems users), as they go about managing their lives and identities. They examine the all-important context in which participants make competence judgments, assess the impact of implicit judgments and formal diagnoses, and look at the types of evaluations made during interaction. This book makes an argument all helping professionals need to hear: institutional, clinical, and social practices promoting judgments must be changed to practices that are more positive and empowering.

**The History of Rap and Hip-Hop** Mar 15 2022 Hip-hop culture has grown from its humble beginnings in the South Bronx section of New York City into a significant and influential cultural movement. This volume examines the rich history and promising future of this musical genre. Created in the mid-1970s by poor Bronx residents with few resources, hip-hop has become a billion-dollar industry whose reach now stretches around the world. Hip-hop has influenced the way people make music, the way they dance, and the way they wear their clothes. It has also shaped people's

political views and turned many people into entrepreneurs.

Jay's First Day At A New School Mar 27 2023 Lil Jay is afraid to go to the first day at his new school. He looks a little down and his cousin, Honey, who is a rap artist, asks him what is the matter. Lil Jay shares his concerns. His uncle, Honey's brother, enters and picks up on the vibe - he shares an idea for Lil Jay to create a rap song to perform at school for his new classmates and teacher. Honey first takes Lil Jay to talk with the Rap Mothers who promote non-violence and positive solutions for the 21st century among the rap and hip hop culture. Lil Jay meets with Bonnie, Candy, Jamie, Lena, LIL MAMA, Nina, Queen G, and his grandmother Barreta who are all members of Rap Mothers Save the Day! He gains valuable insight from the Rap Mothers who ease Lil Jay's concerns. Eventually, he turns around and feels empowered and then practices his new rap song with his uncle KING THA RAPPER. While Lil Jay performs, OG DUV MAC DOGG and DOGGY DOGG join Honey Blunt and LIL MAMA with the Rap Mothers who support Lil Jay's performance in his new class and school. As a result of Lil Jay's overcoming his anxiety regarding change and new life events, Lil Jay is enabled to help other students who also feel reservations at the onset of a new school year. \_\_\_\_\_ Rap Mothers Save The Day is a ten-part children's series to release quarterly books sharing positive outcomes for young people going through adjustments all children encounter growing up. The Motherlode Aug 28 2020 An illustrated highlight reel of more than 100 women in rap who have helped shape the genre and eschewed gender norms in the process The Motherlode highlights more than 100 women who have shaped the power, scope, and reach of rap music, including pioneers like Roxanne Shanté, game changers like Lauryn Hill and Missy Elliott, and current reigning queens like Nicki Minaj, Cardi B, and Lizzo—as well as everyone who came before, after, and in between. Some of these women were respected but not widely celebrated. Some are impossible not to know. Some of these women have stood on their own; others were forced into templates, compelled to stand beside men in big rap crews. Some have been trapped in a strange critical space between respected MC and object. They are characters, caricatures,

lyricists, at times both feminine and explicit. This book profiles each of these women, their musical and career breakthroughs, and the ways in which they each helped change the culture of rap.

Sweat the Technique Feb 20 2020 On the heels of Kendrick Lamar's Pulitzer Prize, as the world begins to recognize the creative side of Hip-Hop, comes a writing guide from a musician and "The greatest MC of all time," Rakim. The musician and Hip Hop legend—hailed as “the greatest MC of all time” and compared to Thelonious Monk—reimagines the writing handbook in this memoir and guide that incorporates the soulful genius, confidence, and creativity of a master artist. When he exploded on the music scene, musical genius Rakim was hailed for his brilliant artistic style, adding layers, complexity, depth, musicality, and soul to rap. More than anyone, Rakim has changed the way MCs rhyme. Calm on the mic, his words combine in a frenzy of sound, using complicated patterns based on multisyllabic rhymes and internal rhythms. Rakim can tell a story about a down-on-his-luck man looking for a job and turn it into an epic tale and an unforgettable rhyme. He is not just a great songwriter—he's a great modern writer. Part memoir, part writing guide, *Sweat the Technique* offers insight into how Rakim thinks about words, music, writing, and rhyming as it teaches writers of all levels how to hone their craft. It is also a rare glimpse into Rakim's private life, full of entertaining personal stories from his youth on Long Island growing up in a home and community filled with musiciansto the clubs of New York and the studios of Los Angeles during his rise to the top of popular music. Rakim celebrates the influences that shaped his development, including the jazz music of John Coltrane and the spirituality of the streets, and shares anecdotes spotlighting personalities such as L. L. Cool J. and Dr. Dre, among others. Filled with valuable lessons for every writer, *Sweat the Technique* reveals the heart and mind of an artist and his love for great storytelling, and always, the words.

**The Roots of Rap** Jun 18 2022 "Carole Boston Weatherford, once again, delivers a resounding

testament and reminder, that hip-hop is a flavorful slice of larger cultural cake. And to be hip-hop-to truly be it—we must remember that we are also funk, jazz, soul, folktale, and poetry. We must remember that . . . we are who we are!" —Jason Reynolds, New York Times best-selling author "Starting with its attention-getting cover, this picture book does an excellent job of capturing the essence of rap . . . This tribute to hip hop culture will appeal to a wide audience, and practically demands multiple readings." —Booklist, STARRED REVIEW "No way around it, this book is supadupa fly, with lush illustrations anchored in signature hip-hop iconography for the future of the global hip-hop nation." —Kirkus Reviews, STARRED REVIEW "With short, rhyming lines and dramatic portraits of performers, the creative team behind *How Sweet the Sound: The Story of Amazing Grace* offers a dynamic introduction to hip-hop. . . . This artful introduction to one of the most influential cultural movements of the 20th century pulses with the energy and rhythm of its subject." —Publishers Weekly, STARRED REVIEW Explore the roots of rap in this stunning, rhyming, triple-timing book, now available as a board book! A generation voicing stories, hopes, and fears founds a hip-hop nation. Say holler if you hear. The roots of rap and the history of hip-hop have origins that precede DJ Kool Herc and Grandmaster Flash. Kids will learn about how it evolved from folktales, spirituals, and poetry to the showmanship of James Brown, to the culture of graffiti art and break dancing that formed around the art form and gave birth to the musical artists we know today. Written in lyrical rhythm by award-winning author and poet Carole Boston Weatherford and complete with flowing, vibrant illustrations by Frank Morrison, this book beautifully illustrates how hip-hop is a language spoken the whole world 'round.

**Love Me Little, Love Me Long** Jan 25 2023

**Black Like Who?** Mar 03 2021 Rinaldo Walcott's groundbreaking study of black culture in Canada, *Black Like Who?*, caused such an uproar upon its publication in 1997 that Insomniac Press has decided to publish a second revised edition of this perennial best-seller. With its incisive readings of hip-hop, film, literature, social unrest, sports, music and the electronic media, Walcott's book not only assesses the role of black Canadians in defining Canada, it also argues strenuously against any notion of an essentialist Canadian blackness. As erudite on the issue of American super-critic Henry Louis Gates' blindness to black Canadian realities as he is on the rap of the Dream Warriors and Maestro Fresh Wes, Walcott's essays are thought-provoking and always controversial in the best sense of the word. They have added and continue to add immeasurably to public debate.

*I Can't Rap But I Can Write* Dec 12 2021 In his debut book, Taj Brah attempts to tackle the question of Why? Why wake up in the morning? Why exercise? Why search for love? Why try and make it somewhere in life? We are all going to die anyway, aren't we? The answers to these questions may vary from person to person, but this book affirms the idea that having a strong purpose will allow you to take on life's challenges with ease. Various tips are also provided to help you find your purpose or

expand your list of pre-existing purposes, such as being self-aware of what activities cause you to lose track of time. This book goes beyond the scope of simply discovering your purpose, as many other factors also contribute to a healthy lifestyle and the attainment of long-term happiness. These include building meaningful relationships, removing toxic people from your life, and dealing with addiction, all of which are discussed in detail through Taj Brah's own accounts with his struggles. Taj Brah challenges you to look inwards and discover what is genuinely meaningful to you. In his personal quest for the meaning of his existence, Taj thought he wanted to rap to inspire others but discovered that he only possessed this goal because rapping was considered the cool and popular thing to do for his generation. This gave rise to the creation of this book, as Taj concluded that writing was one of his true gifts that he could use to live out his purpose and inspire the world!

**The Book of Luke** Feb 02 2021 Born in Miami's notorious Liberty City, Luther Campbell witnessed poverty, despair, and crime firsthand. His uncle Ricky did not want him trapped by the "invisible chains" of systemic racism, so Ricky schooled him on the necessity of a black man running his own life, controlling his livelihood, and owning property. Embracing these lessons, Campbell discovered his gift for entrepreneurship: He created one of the first hip-hop record companies, Luke Records, which started out of a shed in his mom's backyard and grew into a multimillion-dollar enterprise. As a rapper on his own label, Luke became known as the "King of Dirty Rap" and helped pioneer the worldwide phenomenon of Miami Bass. He went on to become the front man and manager for the rap group 2 Live Crew, and was key to the success of the group's controversial platinum recording *As Nasty As They Wanna Be*. His hugely popular and provocative music infuriated the Man, and Luke was marked as public enemy number one when hip-hop crossed the color line into white America. Campbell would spend more than a million dollars of his own money fighting cops and prosecutors, and he went all the way to the Supreme Court to protect his—and every other artist's—right to free speech, setting landmark legal precedents that continue to shape the entertainment industry to this day. In Campbell's clear and honest voice, he shares unforgettable stories of his rise to celebrity status, including illicit tales from his raunchy concerts. He also breaks down how he lost his fortune, but in the process gained a better perspective on life. His father taught him to be responsible for his actions and to be proud of himself. Campbell expressed this by being cocky and holding his head up high, but, as he acknowledges, "America has never been an easy place for a black man who doesn't know how to apologize." Touching on some of the most pressing issues of our time, *The Book of Luke* is a raw and powerful memoir of how one man invented southern hip-hop, saved the First Amendment, and became a role model for the disenfranchised people of the city he calls home.

**Deploying and Troubleshooting Cisco**

**Wireless LAN Controllers** Sep 21 2022 This is the only complete, all-in-one guide to deploying,

running, and troubleshooting wireless networks with Cisco® Wireless LAN Controllers (WLCs) and Lightweight Access Point Protocol (LWAPP)/Control and Provisioning of Wireless Access Points (CAPWAP). Authored by two of the most experienced Cisco wireless support professionals, the book presents start-to-finish coverage of implementing WLCs in existing wired and wireless network environments, troubleshooting design-related issues, and using LWAPP/CAPWAP solutions to achieve your specific business and technical goals. One step at a time, you'll walk through designing, configuring, maintaining, and scaling wireless networks using Cisco Unified Wireless technologies. The authors show how to use LWAPP/CAPWAP to control multiple Wi-Fi wireless access points at once, streamlining network administration and monitoring and maximizing scalability. Drawing on their extensive problem-resolution experience, the authors also provide expert guidelines for troubleshooting, including an end-to-end problem-solving model available in no other book. Although not specifically designed to help you pass the CCIE® Wireless written and lab exams, this book does provide you with real-world configuration and troubleshooting examples. Understanding the basic configuration practices, how the products are designed to function, the feature sets, and what to look for while troubleshooting these features will be invaluable to anyone wanting to pass the CCIE Wireless exams. Efficiently install, configure, and troubleshoot Cisco Wireless LAN Controllers Move autonomous wireless network solutions to LWAPP/CAPWAP Integrate LWAPP/CAPWAP solutions into existing wired networks Understand the next-generation WLC architecture Use Hybrid REAP and Home AP solutions to centrally configure and control branch/remote access points without deploying controllers in every location Use Mobility Groups to provide system-wide mobility easily and cost-effectively Use Cisco WLC troubleshooting tools, and resolve client-related problems Maximize quality in wireless voice applications Build efficient wireless mesh networks Use RRM to manage RF in real-time, optimizing efficiency and performance Reference the comprehensive WLC and AP debugging guide Part of the CCIE Professional Development Series, this is the first book to offer authoritative training for the new CCIE Wireless Exam. It will also serve as excellent preparation for Cisco's new CCNP® Wireless exam.

**Almost There** Oct 22 2022 Almost there is a compelling true story of a young Rap Artist who went from Rapper & Producer to Record Company Executive. Ease takes you on a ride throughout his twenty-year career as an Artist trying to break into the music industry. While on the road to achieving his dreams of success, Ease not only faces betrayal by trusted friends and record executives, but faces a test of his own courage in the near death experience in the mean streets of Cali. This heartfelt autobiography shares Ease's accomplishments as well as his down falls, including the mistakes he made that may have cost him millions. Intriguing and suspenseful, Ease gives u blow-by-blow details on his run-ins with the Feds and Drug Enforcement Agency investigating his label as a drug operation and front for money

laundering. His brief encounters with music industry heavy weights LA & Babyface, Russell Simmons, M.C. Hammer, Ice-T, N.W.A. and the late great Roger Troutman and Notorious B.I.G. Ease also shares his thoughts on the industry as a whole, and its design to keep Artists in debt. And last but not least, Ease shares his struggle and frustrations of growing up in Dayton, Ohio once known as the Funk Capital of the world, to having no outlets to the modern-day music scene.

**The Emerald City Street Life** Apr 16 2022 I wrote this book with a therapeutic approach to writing Hip Hop. Hip Hop on many occasions have taken a bad rap for the material and content that are displayed in the music. I find myself conflicted yet intrigued by what Hip Hop has done to our society. The many different times I had sat in my room, or my car writing rap verses just to encourage myself was plentiful. Sometimes I wrote just to ease someone else's pain. Other times I wrote just for the feeling I felt inside my soul. I wanted my audience to relate to the many rap verses that I began writing 3 decades ago. I hope that my material can be therapeutic to someone who understands what rap music's all about.

Freedom of expression and Freedom of speech has allowed our voices to be heard through rap. Sometimes our voices may seem irrational to the problems that society has forced us into. Rage can have a positive effect on how Hip Hop portrays that rage. I hope that you enjoy the many rap verses that I put together. As An artist, you see my growth, as a young black male, you feel my struggle, as a rapper, you see my rhymes, and as a human being you feel my pain.

**How to Rap 2** Oct 30 2020 Praise for How to Rap: "Filled with real tools and overflowing with inspiration, this comprehensive how-to manual examines the art and craft of rap. . . . Both newcomers to rap and more experienced listeners and artists can gain insights in the time-honored tradition of learning from the past, as told straight from the artists' mouths. . . . Highly recommended." --Library Journal

Featuring an array of rap techniques never before explained or cataloged--such as flams, triplets, lazy tails, and vibrato--HOW TO RAP 2 is a must-read for MCs looking to take their craft to the next level, as well as anyone

fascinated by rapping and its complexity. Filled with exclusive insights from hip-hop's most innovative artists, such as Tech N9ne, Crooked I, The Pharcyde, Das EFX, Del the Funky Homosapien, and Big Daddy Kane, this book takes you through the intricacies of rhythm, rhyme, and vocal delivery, delving into the art form in unprecedented detail. Paul Edwards is a writer and researcher of hip-hop. He is regarded as a leading expert on hip-hop and rap, and has been referred to as "the Aristotle of hip-hop poetics" by internationally acclaimed and award-winning poet Dana Gioia. He is the author of How to Rap. Gift of Gab, of the group Blackalicious, is noted as one of the most dexterous and versatile MCs of all time.

**The Rap Year Book** Jul 07 2021 A New York Times–bestselling, in-depth exploration of the most pivotal moments in rap music from 1979 to 2014. Here's what The Rap Year Book does: It takes readers from 1979, widely regarded as the moment rap became recognized as part of the cultural and musical landscape, and comes right up to the present, with Shea Serrano hilariously discussing, debating, and deconstructing the most important rap song year by year. Serrano also examines the most important moments that surround the history and culture of rap music—from artists' backgrounds to issues of race, the rise of hip-hop, and the struggles among its major players—both personal and professional. Covering East Coast and West Coast, famous rapper feuds, chart toppers, and show stoppers, The Rap Year Book is an in-depth look at the most influential genre of music to come out of the last generation. Picked by Billboard as One of the 100 Greatest Music Books of All-Time Pitchfork Book Club's first selection

**The Big Payback** Jun 06 2021 "There has never been a better book about hip-hop...a record-biz portrait that jumps off the page."—A.V. Club THE INSPIRATION FOR THE VH1 SERIES THE BREAKS The Big Payback takes readers from the first \$15 made by a "rapping DJ" in 1970s New York to the multi-million-dollar sales of the Phat Farm and Roc-a-Wear clothing companies in 2004 and 2007. On this four-decade-long journey from the studios where the first rap records were made to the boardrooms where the big deals were inked, The Big Payback tallies the list of who lost and who won. Read the secret histories of the early long-shot successes of Sugar Hill Records and Grandmaster Flash, Run DMC's crossover breakthrough on MTV, the marketing of gangsta rap, and the rise of artist/entrepreneurs like Jay-Z and Sean "Diddy" Combs. 300 industry giants like Def Jam founders Rick Rubin and Russell Simmons gave their stories to renowned hip-hop journalist Dan Charnas, who provides a compelling, never-before-seen, myth-debunking view into the victories, defeats, corporate clashes, and street battles along the 40-year road to hip-hop's dominance. INCLUDES PHOTOGRAPHS

*Modernism and the Harlem Renaissance* Jan 21

2020 "Mr. Baker perceives the Harlem Renaissance as a crucial moment in a movement, predating the 1920's, when Afro-Americans embraced the task of self-determination and in so doing gave forth a distinctive form of expression that still echoes in a broad spectrum of 20th-century Afro-American arts. . . . Modernism and the Harlem Renaissance may well become Afro-America's 'studying manual.'"—Tonya Bolden, *New York Times Book Review*

#### Keep Calm and Rap: Blank Ruled Lined

Composition Notebook Jun 25 2020 This lined paper journal notepad has 110 pages and is an ideal book to scribble your thoughts, shopping lists and sketches. It can be used as a school book, somewhere to write down notes or a general notepad. It provides ample space with its 6.14" x 9.21" size to jot down your daily thoughts and is a great gift for going back to school, for Christmas stockings and Birthday presents.

**Book of Rhymes** Jul 19 2022 If asked to list the greatest innovators of modern American poetry, few of us would think to include Jay-Z or Eminem in their number. And yet hip hop is the source of some of the most exciting developments in verse today. The media uproar in response to its controversial lyrical content has obscured hip hop's revolution of poetic craft and experience: Only in rap music can the beat of a song render poetic meter audible, allowing an MC's wordplay to move a club-full of eager listeners. Examining rap history's most memorable lyricists and their inimitable techniques, literary scholar Adam Bradley argues that we must understand rap as poetry or miss the vanguard of poetry today. *Book of Rhymes* explores America's least understood poets, unpacking their surprisingly complex craft, and according rap poetry the respect it deserves.

The Anthology of Rap May 25 2020 From the school yards of the South Bronx to the tops of the "Billboard" charts, rap has emerged as one of the most influential cultural forces of our time. This pioneering anthology brings together more than 300 lyrics written over 30 years, from the "old school" to the present day.

*Breaking News 2* Oct 10 2021 Led by a retired gangsta (Jerrod) the Toe Taggin' Posse Music Group (magik,4hunnid, madd lou, wild bill, and train) takes over Baltimore's rap scene with ease. Their rival, Slaughtermore Records, doesn't take the dethroning on the chin, and quickly answers back, but not with verses or 16 bars. Bullets are their ammo. The Toe Taggin' Posse is left with no choice but to delay their retaliation, because of the watchful eyes of the IITSU police; Baltimore's version of the hip hop police. Questionable things arise amongst the rap crew when the label's A&R (Tommy Guns) signs the group's first female act (Queen Azarah). Not everyone is smitten with the R&B songstress' pretty face and flawless body. One member of the crew feels in his soul, that is more to the soulful singer than she's letting on, so she begins to dig. The group and affiliate's (Nyse, L-Trigga, and Dy) main hustle (selling dope) is in jeopardy when someone decides to empty their brains to the IITSU police. With all the evidence pointing to the new recruit, will the dangerous rap group do what needs to be done, or will the informant cripple the entire Toe Taggin' Posse inside and

out; in front of one prosecutor, one judge, and twelve jurors? From *The Creative Mind Of KAYO*

#### **Give My Poor Heart Ease** Jan 13 2022

Throughout the 1960s and 1970s, folklorist William Ferris toured his home state of Mississippi, documenting the voices of African Americans as they spoke about and performed the diverse musical traditions that form the authentic roots of the blues. Now, *Give My Poor Heart Ease* puts front and center a searing selection of the artistically and emotionally rich voices from this invaluable documentary record. Illustrated with Ferris's photographs of the musicians and their communities and including a CD of original music, the book features more than twenty interviews relating frank, dramatic, and engaging narratives about black life and blues music in the heart of the American South. Here are the stories of artists who have long memories and speak eloquently about their lives, blues musicians who represent a wide range of musical traditions--from one-strand instruments, bottle-blowing, and banjo to spirituals, hymns, and prison work chants. Celebrities such as B. B. King and Willie Dixon, along with performers known best in their neighborhoods, express the full range of human and artistic experience--joyful and gritty, raw and painful. In an autobiographical introduction, Ferris reflects on how he fell in love with the vibrant musical culture that was all around him but was considered off limits to a white Mississippian during a troubled era. This magnificent volume illuminates blues music, the broader African American experience, and indeed the history and culture of America itself.

**"Rap is Easy, Career is the Hard Part"** Nov 30 2020 Conceptualizing and analyzing the hip-hop career and the role of success therein allows us to investigate the long-term shifts in the economic and cultural capitals associated with the genre, and can help us better understand how hip-hop has achieved enduring success and respect. As hip-hop musicians continue to prosper financially and achieve unprecedented levels of success and longevity in the industry, understandings of the hip-hop career have shifted. Hip-hop musicians attempt to translate their cultural capital into financial profit by leveraging their respective personas into marketable brands and lifestyles that act as non-musical, career extending strategies. The thesis investigates how the hip-hop music career commences, the activities and individuals required to nurture a career, and the criteria that ultimately determine success. When entering contractual employment relationships, how do hip-hop musicians navigate intricate relations of power, retain or give up important authorial rights, and understand the attainment of economic self-sufficiency in relation to autonomy? Ultimately, I suggest that many contemporary hip-hop musicians develop and structure their careers based on previously established models and recognizable patterns, and that popular musicians in other genres face similar struggles for autonomy. For hip-hop musicians, unlike those working in other genres, there is a linkage between possessing large amounts of economic capital and high evaluations of cultural capital, and establishing a long-term career is the most effective way of achieving

success in these interrelated areas.

Go Ahead in the Rain May 05 2021 A *New York Times* Best Seller A February IndieNext Pick Named A Most Anticipated Book of 2019 by Buzzfeed, Nylon, The A. V. Club, CBC Books, and The Rumpus. And a Winter's Most Anticipated Book by Vanity Fair and The Week Starred Reviews: Kirkus and Booklist "Warm, immediate and intensely personal."—*New York Times* How does one pay homage to A Tribe Called Quest? The seminal rap group brought jazz into the genre, resurrecting timeless rhythms to create masterpieces such as *The Low End Theory* and *Midnight Marauders*. Seventeen years after their last album, they resurrected themselves with an intense, socially conscious record, *We Got It from Here . . . Thank You 4 Your Service*, which arrived when fans needed it most, in the aftermath of the 2016 election. Poet and essayist Hanif Abdurraqib digs into the group's history and draws from his own experience to reflect on how its distinctive sound resonated among fans like himself. The result is as ambitious and genre-bending as the rap group itself. Abdurraqib traces the Tribe's creative career, from their early days as part of the Afrocentric rap collective known as the Native Tongues, through their first three classic albums, to their eventual breakup and long hiatus. Their work is placed in the context of the broader rap landscape of the 1990s, one upended by sampling laws that forced a reinvention in production methods, the East Coast–West Coast rivalry that threatened to destroy the genre, and some record labels' shift from focusing on groups to individual MCs. Throughout the narrative Abdurraqib connects the music and cultural history to their street-level impact. Whether he's remembering *The Source* magazine cover announcing the Tribe's 1998 breakup or writing personal letters to the group after bandmate Phife Dawg's death, Abdurraqib seeks the deeper truths of *A Tribe Called Quest*; truths that—like the low end, the bass—are not simply heard in the head, but felt in the chest.

**Techniques In Rap Music** Nov 23 2022 If you're interested in learning how to rap in a step-by-step, in an easy-to-follow way by someone just like you who had no musical training and was able to learn rapping to a point to make it a full-time career. This book will not teach you how to write rhymes, bars, and verses like many lesser-skilled rappers. This is an advanced course. So, put your thinking caps on, grab a cup of coffee, AND A PENCIL AND PAD because this book comes with rhyme drills and exercises just like a school textbook! You will learn: -How to rap, -How to rap on a very high level. -How to rap using long written and short written. -How to write rap with great content. -How to write rap with great endings. -How to write raps with AMAZING metaphors and similes. -How to write credible lines. And much more

No More Mac and Cheese Mar 23 2020 Written in humorous rhyme, these very basic recipes are for those who have no time or interest in cooking. If you regularly prepare meals, this book is not for you. If you pick up burritos or chinese food on most nights, this is a quick, tasty and amusing alternative. A quick, easy and humorous guide to cooking for bachelors/ettes who are clueless in the kitchen.

A cookbook for bachelors written in rhyme; rap while you're roasting! No time to cook? Hot date coming over? Have some simple fun in the kitchen!

[Da Rap Game](#) Sep 28 2020 Black Male, the author of Hood Stories is bringing you Da Rap Game. This is a story about a teenager named Jalil Jackson, who wants to be a rapper. He had to find out through experience that being a rap artist is not easy, dealing with people stealing his music, shady deals, and people trying to kill him in disagreements. NATURAL TALENT God blesses each and every one of us with talent. When Jalil discovered he had the gift of reaching people in his music, he used his talent to his advantage. Music can be used as entertainment, but it can also be used as a weapon. JEALOUSY & ENVY When you're successful at anything, you're family members and friends will turn against you. It doesn't matter if you're a Rapper, R and B singer, comedian, book writer or artist. Jalil was at the top with his music career and noticed the change of the people closest to him. People will hate you if they can't do what you do, and will want what you have. HOW TO FIGHT WITH WORDS If someone harms you in anyway, you can hurt them and end up in jail or expose them and let people know about what they've done. Jalil was asked by another group of rappers to sign a contract with them. He refused and was attacked almost being killed. As Kamaflage dealt with them physically, Jalil dealt with them lyrically and defeated his enemies.

*The Gucci Mane Guide to Greatness* Jul 27 2020 From the platinum selling recording artist and New York Times bestselling author of The Autobiography of Gucci Mane comes THE GUCCI MANE GUIDE TO GREATNESS—an

unprecedented look at Gucci Mane's secrets to success, health, wealth, and self-improvement. From Gucci: "I live by the principles in this book. I wanted to write this book to give you a tool set.
