Katya Waters has finally made peace with her past, but the present and future are becoming a never-ending nightmare. At the end of *Restraint*, Katya fled back to her hometown, seeking solace from Ezra's constant micromanaging while hiding from her true feelings over what had happened to her at the hands of the men she had grown to trust. Before Katya can come to terms with the catastrophic events she had endured in *Dominion*, she is whisked away from the comfort of her safe haven. Never getting a moment to reflect before being thrust back to *Dominion*, Katya's defenses are down. Ezra's controlling and manipulative ways know no bounds when it comes to Katya and their daughter. Vulnerable and susceptible to his influence, Ezra forces Katya and Ava into The Edge Building's fortress of a gilded cage, where Katya fears she will never get out. Hanging onto her sense of self and moral code is difficult for Katya, as Ezra influences every aspect of her life, leaving her feeling powerless and lost as she falls deeper under his spell. Unsure where she fits into the lives of the men who impact her so deeply, Katya seeks direction from an unlikely source to regain her power. Katya's intuition screams that she is in danger, which is why she allows Ezra to keep her caged safely within the world of his creation. ...And then the threatening notes are delivered- written with the words only the monster ever whispered.

*Was Satan Unleashed in the C. I. A.* Mar 22 2020 Documented evidence, reveals factual information that will haunt the mind with truth, astonished subjects are as follows: \* Project Sunshine - The most inhumane event in history, that cost the lives of babies, children and youths, from all across the world, all for the sake of science! We all condemn Syria for what they did in killing innocent children with their chemicals; this story puts that event to sham. Graphically detailed by former O.S.S./C.I.A. covert actions operator, the only survivor to present this horrific information to the U.S. Senate, Committee on Veterans' Affairs, and now for the "first time" to the world. \* The "Great Gamble" of the possible annihilation of the United States of America - Cross referenced with the Holy Scriptures. \* Deceived in Jesus name - Research that takes you back to the Old Testament and reveals "who deceived and profaned the name of God," there is only one name under heaven that you are "saved." The 'translated' name of Jesus is "not" His true name. This is the "Great Deception," by the work of Satan himself. You will see who he worked through. "No one has the right to change the name of God, by using the word of 'translation' for their own glory." \* Israel seems to have sold Jerusalem - Secret documents shows how this came about and whom obtained Jerusalem. This 'stunning story' is supported by the prophetic word of God and declares how close we are to the "End Times," and the rise of the false prophet and the anti-Christ. \* All of the information and more is brought into current times, 'apostasy is before us, ' "there is nothing left but judgment." Amen.
