collections from fictions to scientific research in any way. In the midst of them is this *Never Have I Ever* that can be your partner.

Kristy loves Luke but if anything was clear to her back when they were kids it was that gawky, awkward, tomboys didn't stand a chance with the king of the schoolyard. She watched her older brothers set their caps for Luke's glamorous cousins and get shot down. So she did what she had to in order to salvage her friendship with Luke. She hid her true feelings and her need for him to take control. Luke wants Kristy in the worst way -- actually, in all the worst ways: tied up, held down, beaten, bitten, whipped. But he knows he has no chance of ever having her. They'd been childhood friends and sweethearts, until she friend-zoned him in the fifth grade. He knows he can either keep her as a friend, or take her to bed and lose her forever. His biggest mistake--so far--was in hiring her to work alongside him in the bar he and his cousins inherited from their grandmother. He knows Kristy needs the money and the job, but Luke's self-control can't take the constant contact with the girl he wants to dominate -- both in and out of the bedroom. Something has to give -- and soon! Allister, in the past two years, has lived based on self-discovery from feeding his inner sex god to overcoming bitterness at its worst. All to grow and shape up, even if that means putting yourself out there only to have it

tragically thrown back in your face. After a prolonged night with friends, and several rounds of the high school game *Never Have I Ever*, he realizes nothing in his adult life has been accomplished. Yikes! Allister hatches the idea of a bucket list to seize what's left of his twenties and give the beginning year of his thirties something to remember. From auditioning for a play to crashing a wedding of someone he doesn't know, learning to ski to learning French, and diving into the world of leather (all with the help of wild friends) Allister is determined to turn his vanilla life into a glittery one, sharing his bumpy, yet humorous, attempt to exist to the fullest. 'An unsettling whirlwind of a novel with a startlingly dark core. 5 Stars' *Sun on The Other Twin* Twenty years ago Four teenagers discover a new game. They add their own rules, going from sharing secrets to sharing firsts. And then it all goes spiraling out of control. Now A woman gets a note through her door which chills her blood 'Never have I ever been punished for what I have done' She thought this was over. But it looks like it's her turn to play Because no matter how far it goes, you have to obey the rules of the game. And the game is never really over. 'Well written, engrossing and brilliantly unique, this is a fab debut' *Heat on The Other Twin* This little book holds the message of dignity that every child on this earth needs to hear: You are loved. You matter. You make me smile. You make me the happiest person in the world, just by being you. "Have I

ever told you that, for me, there is no one more special than you? That for me, you are the most special child in the world, and that I love you now and will love you forever? Have I ever told you that?" Shani King wrote *Have I Ever Told You?* as a note to his children, to remind them that they are amazing in their individuality and that they have the power to choose who they want to be in this world. The illustrations create a masterful visual narrative: warm, witty, simple, profound, and as ferociously empowering as a children's book can be. Bestselling author Mhairi McFarlane returns with another heartfelt romantic comedy perfect for fans of Josie Silver, Sophie Kinsella, or Sally Thorne. One of *Shondaland's 5 Must-Read Books for March* and a *Best Romance of 2020* by Amazon, OprahMag, Insider, BuzzFeed, Bustle, Cosmo, PopSugar, and BookPage. If faking love is this easy... how do you know when it's real? When her partner of over a decade suddenly ends things, Laurie is left reeling—not only because they work at the same law firm and she has to see him every day. Her once perfect life is in shambles and the thought of dating again in the age of Tinder is nothing short of horrifying. When news of her ex's pregnant girlfriend hits the office grapevine, taking the humiliation lying down is not an option. Then a chance encounter in a broken-down elevator with the office playboy opens up a new possibility. Jamie Carter doesn't believe in love, but he needs a respectable, steady girlfriend to impress their bosses. Laurie

wants a hot new man to give the rumor mill something else to talk about. It's the perfect proposition: a fauxmance played out on social media, with strategically staged photographs and a specific end date in mind. With the plan hatched, Laurie and Jamie begin to flaunt their new couple status, to the astonishment—and jealousy—of their friends and colleagues. But there's a fine line between pretending to be in love and actually falling for your charming, handsome fake boyfriend... New soul Ana is new. For thousands of years in Range, a million souls have been reincarnated over and over, keeping their memories and experiences from previous lifetimes. When Ana was born, another soul vanished, and no one knows why. No soul Even Ana's own mother thinks she's a nosoul, an omen of worse things to come, and has kept her away from society. To escape her seclusion and learn whether she'll be reincarnated, Ana travels to the city of Heart, but its citizens are afraid of what her presence means. When dragons and sylph attack the city, is Ana to blame? Heart Sam believes Ana's new soul is good and worthwhile. When he stands up for her, their relationship blooms. But can he love someone who may live only once, and will Ana's enemies—human and creature alike—let them be together? Ana needs to uncover the mistake that gave her someone else's life, but will her quest threaten the peace of Heart and destroy the promise of reincarnation for all? Jodi Meadows expertly weaves soul-deep romance, fantasy, and danger into an extraordinary tale

of new life. The Christmas season... Is perfect for new beginnings After a tragedy seventeen years ago, author Ella Jacobs never wanted to come back to Lighthouse Cove. Not to the whispered rumors, the judgment or even to Ben Winters, the boy she loved. Now she's returned in time for Christmas—and some much-needed closure. But old flames burn bright. Can Ella find her way back to Ben...or will the secrets of their past extinguish their love for good? \*A Book Riot Most Anticipated Nonfiction Book of 2021\* The creators of the popular website Black Nerd Problems bring their witty and unflinching insight to this engaging collection of pop culture essays on everything from Mario Kart and The Wire to issues of representation and police brutality across media. When William Evans and Omar Holmon founded Black Nerd Problems, they had no idea whether anyone beyond their small circle of friends would be interested in their little corner of the internet. But soon after launching, they were surprised to find out that there was a wide community of people who hungered for fresh perspectives on all things nerdy, from the perspective of #OwnedVoices. In the years since, Evans and Holmon have built a large, dedicated fanbase eager for their brand of cultural critique, whether in the form of a laugh-out-loud, raucous Game of Thrones episode recap or an eloquent essay on dealing with grief through stand-up comedy. Now, they are ready to take the next step with this vibrant and hilarious essay collection, which covers

everything from X-Men to Breonna Taylor with insight and intelligence. A much needed and fresh pop culture critique from the perspective of people of color, Black Nerd Problems is the ultimate celebration for anyone who loves a blend of social commentary and all things nerdy. This Tinkerbell is finally in with The Lost Boys. Seriously, she's the new lead singer for their band. But the guitarist she's crushing on only sees her as a cute little mascot. And the guy who's crushing on her? She doesn't see him at all. I blame my car. If the stupid old clunker hadn't broken down, I would have had time to go home and change before auditioning for lead singer of my crush's band. Instead, I showed up in a Tinkerbell costume. Awesome. Now I'm not so much the hot rocker chick as I am that weird fairy girl, but whatever. I mean, I got the gig, that's what counts. And I owe it all to Maverick. If the newest member of the Princess Troupe hadn't stopped and played a real life prince by rescuing me and giving me a ride, I never would have gotten to the audition at all. Maverick even goes so far as to stick around and give me a ride home afterward, which is really going above and beyond for a new work friend. But when he tries to kiss me at the end of the night? Friends, we've officially entered never-never land. This can't be real. We live in two different worlds. Someone needs to tell Maverick that star football players don't go for girls like me. He says he's cool with being friends first, so yeah...okay. Friends I can do. Besides, it looks like I'm gonna need all the

friends I can get as I prove to my new band that I'm not some kid who likes to play dress up. I'm a grown up. Mostly. Just...don't challenge me to a game of Never Have I Ever. With empathy, grace, humor, and piercing insight, the author of gods in Alabama pens a powerful, emotionally resonant novel of the South that confronts the truth about privilege, family, and the distinctions between perception and reality--the stories we tell ourselves about our origins and who we really are. Superheroes have always been Leia Birch Briggs' weakness. One tequila-soaked night at a comics convention, the usually level-headed graphic novelist is swept off her barstool by a handsome and anonymous Batman. It turns out the caped crusader has left her with more than just a nice, fuzzy memory. She's having a baby boy—an unexpected but not unhappy development in the thirty-eight year-old's life. But before Leia can break the news of her impending single-motherhood (including the fact that her baby is biracial) to her conventional, Southern family, her step-sister Rachel's marriage implodes. Worse, she learns her beloved ninety-year-old grandmother, Birchie, is losing her mind, and she's been hiding her dementia with the help of Wattie, her best friend since girlhood. Leia returns to Alabama to put her grandmother's affairs in order, clean out the big Victorian that has been in the Birch family for generations, and tell her family that she's pregnant. Yet just when Leia thinks she's got it all under control, she learns

that illness is not the only thing Birchie's been hiding. Tucked in the attic is a dangerous secret with roots that reach all the way back to the Civil War. Its exposure threatens the family's freedom and future, and it will change everything about how Leia sees herself and her sister, her son and his missing father, and the world she thinks she knows. Shortlisted for the HWA Gold Crown 2020

\_\_\_\_\_ From the bestselling e-book sensation of The Thief Taker series comes a thrilling and sumptuous novel set during the early days of the French Revolution. 'A rip-roaring adventure.' Tessa Harris, author of the Dr Thomas Silkstone Mysteries \_\_\_\_\_ 'He was alive when he went in the mortuary.' 1789. The Bastille is marked for destruction. Skirmishes in the city are rife and revolution is in the air. When a gruesomely murdered rebel is found in the prison morgue, a plot is suspected. English spy, Attica Morgan, is laying low after an abortive mission. So when she's given an assignment inside the Bastille, her instinct is to run. Instead, she's offered a pardon, in return for solving the mystery of the dead revolutionary; and exposing a plot that leads to Marie Antoinette. But as tensions rise to breaking point in the city, Attica quickly realises she's in a race against time. Soon there could be no Bastille to investigate. 'Incredible! It's the best action adventure novel I've ever read... A fantastic achievement that has blown me away with its ingenuity, scope and

breathless pace.' Louise Voss, author of the Detective Lennon series A tender and powerful affirmation that Black lives have always mattered. Black lives matter. That message would be self-evident in a just world, but in this world and this America, all children need to hear it again and again, and not just to hear it but to feel and know it. This book affirms the message repeatedly, tenderly, with cumulative power and shared pride. Celebrating Black accomplishments in music, art, literature, journalism, politics, law, science, medicine, entertainment, and sports, Shani King summons a magnificent historical and contemporary context for honoring the fortitude of Black role models, women and men, who have achieved greatness despite the grinding political and social constraints on Black life. Frederick Douglass, Toni Morrison, Sojourner Truth, John Lewis, Langston Hughes, Louis Armstrong, Maya Angelou, Aretha Franklin, and many more pass through these pages. An America without their struggles, aspirations, and contributions would be a shadow of the country we know. A hundred life sketches augment the narrative, opening a hundred doors to lives and thinking that aren't included in many history books. James Baldwin's challenge is here: "We are responsible for the world in which we find ourselves, if only because we are the only sentient force which can change it." Actress Viola Davis's words are here, too: "When I was younger, I did not exert my voice because I did

not feel worthy of having a voice. I was taught so many things that didn't include me. Where was I? What were people like me doing?" This book tells children what people like Viola were and are doing, and it assures Black children that they are, indisputably, worthy of having a voice. *Have I Ever Told You Black Lives Matter?* is a book for this time and always. It is time for all children to live and breathe the certainty that Black lives matter. Endorsements: "A beautiful and powerful story and a way to engage and teach children—on Black history, which is American history, and on the legacy of Black struggle and achievement in this nation." —Khary Lazarre-White, Executive Director & Co-Founder, The Brotherhood/Sister Sol, and author of *Passage* "The world needs this yesterday." —James Forman Jr., Pulitzer Prize-winning author of *Locking Up Our Own: Crime and Punishment in Black America* "Fantastic." —Janai S. Nelson, Associate Director-Counsel, NAACP Legal Defense and Educational Fund "Black children grow up being treated differently because of the color of their skin. This loving and positive book acknowledges that reality while also celebrating the resilience of Black people and the accomplishments, leadership, and fortitude of Black Americans. We need this book." —Dr. JudyAnn Bigby, Director of the Harvard Medical School Center of Excellence in Women's Health and former Secretary of the Executive Office of Health and Human Services, Commonwealth of Massachusetts "Am I dead?" Mebuyen sighs.

She was hoping the girl would not ask. Spells and stories, urban legends and immigrant tales: the magic in Isabel Yap's debut collection jumps right off the page, from the joy in her new novella, "A Spell for Foolish Hearts" to the terrifying tension of the urban legend "Have You Heard the One About Anamaria Marquez." "[Russo's] first novel in ten years hits the ball out of the park. . . . You'll lap up this gripping, wise, and wonderful summer treat." —The Boston Globe "A cascade of charm. . . . Russo is an undeniably endearing writer, and chances are this story will draw you back to the most consequential moments in your own life." —The Washington Post One beautiful September day, three men in their late sixties convene on Martha's Vineyard, friends ever since meeting in college in the sixties. They couldn't have been more different then, or even today—Lincoln's a commercial real estate broker, Teddy a tiny-press publisher, and Mickey is a musician beyond his rockin' age. But each man holds his own secrets, in addition to the monumental mystery that none of them has ever stopped puzzling over since a Memorial Day weekend right here on the Vineyard in 1971. Now, forty-five years later, three lives and that of a significant other are put on display while the distant past confounds the present in a relentless squall of surprise and discovery. Shot through with Russo's trademark comedy and humanity, *Chances Are* . . . introduces a new level of suspense and menace that will quicken the reader's heartbeat

throughout this absorbing saga. Tanuja Desai Hidier's fantastically acclaimed cross-cultural debut comes to PUSH! Dimple Lala doesn't know what to think. Her parents are from India, and she's spent her whole life resisting their traditions. Then suddenly she gets to high school and everything Indian is trendy. To make matters worse, her parents arrange for her to meet a "suitable boy." Of course it doesn't go well -- until Dimple goes to a club and finds him spinning a magical web . Suddenly the suitable boy is suitable because of his sheer unsuitability. Complications ensue. This is a funny, thoughtful story about finding your heart, finding your culture, and finding your place in America. Author Bio Tanuja Desai Hidier is the critically acclaimed author of the groundbreaking novels *Bombay Blues* and *Born Confused*, which was named an ALA Best Book for Young Adults and hailed by Entertainment Weekly and Rolling Stone as one of the best YA novels of all time. Born and raised in the USA, Tanuja is a writer/singer-songwriter now based in London. For more about *Born Confused* and *Bombay Blues*, as well as her "booktrack" albums of original songs to accompany them, please visit [www.ThisIsTanuja.com](http://www.ThisIsTanuja.com). NATIONAL BESTSELLER "A finely paced, shrewdly observed, multi-tiered story . . . A thinking (and feeling) reader's thriller." -Wall Street Journal "Chilling, thought-provoking, and hauntingly written, *Mother May I* kept me on the edge of my seat with its breathless race against time." — Megan Miranda, New York Times bestselling

author of *The Girl from Widow Hills*  
Recommended by BuzzFeed • Parade • Country Living • Atlanta Journal-Constitution • Augusta Chronicle • The Nerd Daily • She Reads • BookBub • and more! The New York Times bestselling author of the critically acclaimed *Never Have I Ever* returns with an even more addictive novel of domestic suspense in which a mother must decide how far she is willing to go to protect her child and the life she loves—an unforgettable tale of power, privilege, lies, revenge, and the choices we make, ones that transform our lives in unforeseen ways. Revenge doesn't wait for permission. Growing up poor in rural Georgia, Bree Cabbat was warned that the world was a dark and scary place. Bree rejected that fearful outlook, and life has proved her right. Having married into a family with wealth, power, and connections, Bree now has all a woman could ever dream of. Until the day she awakens and sees someone peering into her bedroom window—an old gray-haired woman dressed all in black who vanishes as quickly as she appears. It must be a play of the early morning light or the remnant of a waking dream, Bree tells herself, shaking off the bad feeling that overcomes her. Later that day though, she spies the old woman again, in the parking lot of her daughters' private school . . . just minutes before Bree's infant son, asleep in his car seat only a few feet away, vanishes. It happened so quickly—Bree looked away only for a second. There is a note left in his place, warning her that she is being

watched; if she wants her baby back, she must not call the police or deviate in any way from the instructions that will follow. The mysterious woman makes contact, and Bree learns she, too, is a mother. Why would another mother do this? What does she want? And why has she targeted Bree? Of course Bree will pay anything, do anything. It's her child. To get her baby back, Bree must complete one small—but critical—task. It seems harmless enough, but her action comes with a devastating price. Bree will do whatever it takes to protect her family—but what if the cost tears their world apart? Raise the stakes in the popular drinking game with prompts that will make your friends spill the juiciest details of their lives. Exposed Secrets . . . DRINK! Confessed Sex-capades . . . DRINK! Shared Life Experiences . . . DRINK! Relived Embarrassments . . . DRINK! Oh Yes You Did . . . DRINK! Packed with 1000 confessions, this book guarantees that your next game of *Never Have I Ever* will be the most fun, exciting and revealing time you've ever had with your friends. "A fun one . . . full of ideas . . . So never again will you have to be the guy or gal holding things up while you keep saying 'Hold on, I'm trying to come up with a good one!' (Seriously, you've had time to brainstorm.) Some of them are tame—like 'built a tree fort,' 'visited the National Mall' or 'touched a sea turtle.' However, most of them are a bit raunchy and personal." —HuffPost College Are you planning to travel around the world and hop from one hostel to another?

Have you got your hostel games sorted? *Never Have I Ever (Dirty Edition)* contains the rules to a simple drinking game and 200+ dirty "Never have I ever..." prompts! It's easy to pick up, fun to play and a great crowd pleaser amongst young travellers. *Never have I ever* role-played in the bedroom *Never have I ever* slipped my number to a waiter or bartender *Never have I ever* given or received bite marks This book is a must-have for beginner travellers or for the experienced veteran wanting to spice things up. It is great to take whilst travelling and perfect as a gift for a friend that has travel plans. This edition is especially dirty - be careful! If you would like to purchase this book for yourself or someone else, click the "Add to Cart" button above! From the USA Today bestselling author of *The Untouchables* series comes your next Regency obsession: *The Spitfire Society*... Meet the smart, independent women who've decided they don't need Society's rules, their families' expectations, or, most importantly, a husband. But just because they don't need a man doesn't mean they might not want one... Graham Kinsley is shocked when he inherits a debt-ridden dukedom, and now he has just one month to repay a loan. He needs an heiress—or find a way to recoup the former duke's losses. When he meets the alluring Arabella, he's entranced. Unfortunately, she's as bankrupt as he is, but if they work together they may be able to recover their fortunes. Though if they keep stealing kisses, they may lose their hearts instead. Arabella Stoke can't afford an

attraction to the penniless duke who has vowed to help rescue her family from financial devastation. She needs to find a wealthy husband before her father succumbs to the stress of losing everything. However, as Graham brings them closer to finding the swindler who stole their money, the war between what they want and what they need may ruin them both. Dr. Seuss's irrepressible optimism is front and center in *Did I Ever Tell You How Lucky You Are?* "When you think things are bad, when you feel sour and blue, when you start to get mad . . . you should do what I do!" So begins the terrific advice of the wise old man in the Desert of Drize. This classic book provides the perfect antidote for readers of all ages who are feeling a bit down in the dumps. Thanks to Dr. Seuss's trademark rhymes and signature illustrations, readers will, without a doubt, realize just how lucky they truly are. This Read & Listen edition contains audio narration. #1 NEW YORK TIMES BESTSELLER • From the author of *Is Everyone Hanging Out Without Me?* and creator of *The Mindy Project* and *Never Have I Ever* comes a hilarious collection of essays about her ongoing journey to find contentment and excitement in her adult life. "This is Kaling at the height of her power."—USA Today In *Why Not Me?*, Kaling shares insightful, deeply personal stories about falling in love at work, seeking new friendships in lonely places, attempting to be the first person in history to lose weight without any behavior modification whatsoever,

and believing that you have a place in Hollywood when you're constantly reminded that no one looks like you. In "How to Look Spectacular: A Starlet's Confessions," Kaling gives her tongue-in-cheek secrets for surefire on-camera beauty, ("Your natural hair color may be appropriate for your skin tone, but this isn't the land of appropriate—this is Hollywood, baby. Out here, a dark-skinned woman's traditional hair color is honey blonde.") "Player" tells the story of Kaling being seduced and dumped by a female friend in L.A. ("I had been replaced by a younger model. And now they had matching bangs.") In "Unlikely Leading Lady," she muses on America's fixation with the weight of actresses, ("Most women we see onscreen are either so thin that they're walking clavicles or so huge that their only scenes involve them breaking furniture.") And in "Soup Snakes," Kaling spills some secrets on her relationship with her ex-boyfriend and close friend, B.J. Novak ("I will freely admit: my relationship with B.J. Novak is weird as hell.") Mindy turns the anxieties, the glamour, and the celebrations of her second coming-of-age into a laugh-out-loud funny collection of essays that anyone who's ever been at a turning point in their life or career can relate to. And those who've never been at a turning point can skip to the parts where she talks about meeting Bradley Cooper. "Tense, moving, and hilarious . . . [A] dark jewel of a novel." —Francine Prose, *O, The Oprah Magazine* Three husbands have left her. I.R.S. agents are whamming on her

door. And her beloved cat has gone missing. She's back and forth between Melanie, her secluded Southern town, and L.A., where she has a weakening grasp on her job as a script doctor. Having been sacked by most of the studios and convinced that her dealings with Hollywood have fractured her personality, Money Breton talks to herself nonstop. She glues and hammers and paints every item in her place. She forges loving inscriptions in all her books. Through it all, there is her darling puzzling daughter who lives close by but seems ever beyond reach, and her son, the damaged victim of a violent crime under police protection in New York. While both her children seem to be losing all their battles, Money tries for ways and reasons to keep battling. Why *Did I Ever* is a book of piercing intellect and belligerent humor. Since its first publication in 2002 it has had a profound impact, not only on Robison's devoted following, but on the shape of the contemporary novel itself. When everyone else goes to bed, the ones who stay up feel like they're the only people in the world. As the hours tick by deeper into the night, the familiar drops away and the unfamiliar beckons. Adults are asleep, and a hush falls over the hum of daily life. Anything is possible. It's a time for romance and adventure. For prom night and ghost hunts. It's a time for breaking up, for falling in love—for finding yourself. Stay up all night with these thirteen short stories from bestselling and award-winning YA authors like Karen McManus, Tiffany D. Jackson, Nina

LaCour, and Brandy Colbert, as they take readers deep into these rarely seen, magical hours. Full contributor list: Brandy Colbert, Kathleen Glasgow, Maurene Goo, Tiffany D. Jackson, Amanda Joy, Nina LaCour, Karen M. McManus, Anna Meriano, Marieke Nijkamp, Laura Silverman, Kayla Whaley, Julian Winters, Francesca Zappia A resource for daughters of mothers with narcissistic personality disorder explains how to manage feelings of inadequacy and abandonment in the face of inappropriate maternal expectations and conditional love, in a step-by-step guide that shares recommendations for creating a personalized program for self-protection and recovery. 50,000 first printing. When Emma Paxton steps into the life of her long-lost twin Sutton to solve her murder, she finds new suspects at every turn, while Sutton looks on from her afterlife A hilarious, quirky, and unflinchingly honest memoir about one young woman's life-long (and totally unsuccessful) search for love. "I've been single for my entire life. Not one boyfriend. Not one short-term dating situation. Not one person with whom I regularly hung out and kissed on the face." So begins Katie Heaney's memoir of her years spent looking for love, but never quite finding it. By age 25, equipped with a college degree, a load of friends, and a happy family life, she still has never had a boyfriend...and she's barely even been on a second date. Throughout this laugh-out-loud funny book, you will meet Katie's loyal group of girlfriends, including flirtatious and outgoing Rylee, the

wild child to Katie's shrinking violet, as well as a whole roster of Katie's ill-fated crushes. And you will get to know Katie herself -- a smart, modern heroine relaying truths about everything from the subtleties of a Facebook message exchange to the fact that "Everybody who works in a coffee shop is at least a little bit hot." Funny, relatable, and inspiring, this is a memoir for anyone who has ever struggled to find love, but has also had a lot of fun in the process. Never Have I Ever...How can a simple game be so complex? Never Have I Ever, is a simple drinking game played with a group of people. In the game the players raise a set of fingers and say a truth about their life experiences they have never experienced before. Such as never have ever I gone skiing, been to Hawaii, or been arrested. If another player has experienced this event, they place a finger down, and take a sip of their drink. The game continues until one of the players places all their fingers down. This is the game two Westcliff University students played together. Christina Dennis and Carlos Mendez thought they were going to be playing a simple game. Instead they found themselves admitting truths never spoken before, dealing with complex emotions, and doing the one thing they never ever thought possible, fall for each other. "Sam is doing well in her career, she has a husband and a baby and life is going well. That is until she gets the note through her door that stops her heart in her chest. Never Have I Ever Been Punished For What I Have Done. Sam is

catapulted back to those teenage years spent with her best friends, teasing out each other's secrets by announcing things they had Never, ever done. Pushing each other's boundaries, growing closer and growing up. If only they had stopped there. But they added their own rules. They went from sharing secrets to sharing firsts. First kisses, first drinks, first fake IDs. And that was before it all went spiralling out of control. Before that day in the woods ended it all. Because no matter how far it goes, you have to obey the rules of the game. Even if what you've never done should stay that way. And now Sam is about to discover that the game isn't over."--Provided by publisher. "Wonderful—suspense and surprises, real characters, and a scary, ominous backbeat. This feels like the book Jackson was born to write." —Lee Child, New York Times bestselling author Named a Best Book by USA Today • People • The Wall Street Journal • Time • Entertainment Weekly • Bustle • and many more! From New York Times bestselling author Joshilyn Jackson, a twisting novel of domestic suspense in which a group of women play a harmless drinking game that escalates into a war of dark pasts In this game, even winning can be deadly... Amy Whey is proud of her ordinary life and the simple pleasures that come with it—teaching diving lessons, baking cookies for new neighbors, helping her best friend, Charlotte, run their local book club. Her greatest joy is her family: her devoted professor husband, her spirited fifteen-year-old stepdaughter, her

adorable infant son. And, of course, the steadfast and supportive Charlotte. But Amy's sweet, uncomplicated life begins to unravel when the mysterious and alluring Angelica Roux arrives on her doorstep one book club night. Sultry and magnetic, Roux beguiles the group with her feral charm. She keeps the wine flowing and lures them into a game of spilling secrets. Everyone thinks it's naughty, harmless fun. Only Amy knows better. Something wicked has come her way—a she-devil in a pricey red sports car who seems to know the terrible truth about who she is and what she once did. When they're alone, Roux tells her that if she doesn't give her what she asks for, what she deserves, she's going to make Amy pay for her sins. One way or another. To protect herself and her family and save the life she's built, Amy must beat the devil at her own clever game, matching wits with Roux in an escalating war of hidden pasts and unearthed secrets. Amy knows the consequences if she can't beat Roux. What terrifies her is everything she could lose if she wins. A diabolically entertaining tale of betrayal, deception, temptation, and love filled with dark twists leavened by Joshilyn Jackson's trademark humor, *Never Have I Ever* explores what happens when the transgressions of our past come back with a vengeance. Mindy Kaling has lived many lives: the obedient child of immigrant professionals, a timid chubster afraid of her own bike, a Ben Affleck-impersonating Off-Broadway performer and playwright, and, finally, a comedy writer

and actress prone to starting fights with her friends and coworkers with the sentence "Can I just say one last thing about this, and then I swear I'll shut up about it?" Perhaps you want to know what Mindy thinks makes a great best friend (someone who will fill your prescription in the middle of the night), or what makes a great guy (one who is aware of all elderly people in any room at any time and acts accordingly), or what is the perfect amount of fame (so famous you can never get convicted of murder in a court of law), or how to maintain a trim figure (you will not find that information in these pages). If so, you've come to the right book, mostly! In *Is Everyone Hanging Out Without Me?*, Mindy invites readers on a tour of her life and her unscientific observations on romance, friendship, and Hollywood, with several conveniently placed stopping points for you to run errands and make phone calls. Mindy Kaling really is just a Girl Next Door—not so much literally anywhere in the continental United States, but definitely if you live in India or Sri Lanka. This enhanced eBook includes an audio introduction from the author; audio commentary from Mindy's friends, including *The Office* costar B. J. Novak and *Parks and Recreation* creator Michael Schur; bonus photos, including an exclusive "Avalanche of Awkwardness" slideshow of never-before-seen childhood photos with audio commentary; and three full chapters read by the author. • New York Times bestseller • The 100 most substantive solutions to reverse

global warming, based on meticulous research by leading scientists and policymakers around the world "At this point in time, the Drawdown book is exactly what is needed; a credible, conservative solution-by-solution narrative that we can do it. Reading it is an effective inoculation against the widespread perception of doom that humanity cannot and will not solve the climate crisis. Reported by-effects include increased determination and a sense of grounded hope." —Per Espen Stoknes, Author, *What We Think About When We Try Not To Think About Global Warming* "There's been no real way for ordinary people to get an understanding of what they can do and what impact it can have. There remains no single, comprehensive, reliable compendium of carbon-reduction solutions across sectors. At least until now. . . . The public is hungry for this kind of practical wisdom." —David Roberts, *Vox* "This is the ideal environmental sciences textbook—only it is too interesting and inspiring to be called a textbook." —Peter Kareiva, Director of the Institute of the Environment and Sustainability, UCLA In the face of widespread fear and apathy, an international coalition of researchers, professionals, and scientists have come together to offer a set of realistic and bold solutions to climate change. One hundred techniques and practices are described here—some are well known; some you may have never heard of. They range from clean energy to educating girls in lower-income

countries to land use practices that pull carbon out of the air. The solutions exist, are economically viable, and communities throughout the world are currently enacting them with skill and determination. If deployed collectively on a global scale over the next thirty years, they represent a credible path forward, not just to slow the earth's warming but to reach drawdown, that point in time when greenhouse gases in the atmosphere peak and begin to decline. These measures promise cascading benefits to human health, security, prosperity, and well-being—giving us every reason to see this planetary crisis as an opportunity to create a just and livable world. The acclaimed debut novel by the author of *Little Fires Everywhere* and *Our Missing Hearts* “A taut tale of ever deepening and quickening suspense.” —O, the Oprah Magazine “Explosive . . . Both a propulsive mystery and a profound examination of a mixed-race family.” —Entertainment Weekly “Lydia is dead. But they don’t know this yet.” So begins this exquisite novel about a Chinese American family living in 1970s small-town Ohio. Lydia is the favorite child of Marilyn and James Lee, and her parents are determined that she will fulfill the dreams they were unable to pursue. But when Lydia’s body is found in the local lake, the delicate balancing act that has been keeping the Lee family together is destroyed, tumbling them into chaos. A profoundly moving story of family, secrets, and longing, *Everything I Never Told You* is both a

gripping page-turner and a sensitive family portrait, uncovering the ways in which mothers and daughters, fathers and sons, and husbands and wives struggle, all their lives, to understand one another. *THE GREAT GATSBY* BY F. SCOTT FITZGERALD Key features of this book: \* Unabridged with 100% of it’s original content \* Available in multiple formats: eBook, original paperback, large print paperback and hardcover \* Easy-to-read 12 pt. font size \* Proper paragraph formatting with Indented first lines, 1.25 Line Spacing and Justified Paragraphs \* Properly formatted for aesthetics and ease of reading. \* Custom Table of Contents and Design elements for each chapter \* The Copyright page has been placed at the end of the book, as to not impede the content and flow of the book. Original publication: 1925 *The Great Gatsby* - The story of the mysteriously wealthy Jay Gatsby and his love for the beautiful Daisy Buchanan, This book is F. Scott Fitzgerald’s third book and stands as the supreme achievement of his career. First published in 1925, this classic novel of the Jazz Age has been acclaimed by generations of readers which depicts the life of lavish parties on Long Island is an exquisitely crafted tale of America in the 1920s. This book is great for schools, teachers and students or for the casual reader, and makes a wonderful addition to any classic literary library At Pure Snow Publishing we have taken the time and care into formatting this book to make it the best possible reading experience. We specialize in

publishing classic books and have been publishing books since 2014. We now have over 500 book listings available for purchase. Enjoy! A hilarious, quirky, and unflinchingly honest memoir about one young woman's life-long (and totally unsuccessful) search for love. "I've been single for my entire life. Not one boyfriend. Not one short-term dating situation. Not one person with whom I regularly hung out and kissed on the face." So begins Katie Heaney's memoir of her years spent looking for love, but never quite finding it. By age 25, equipped with a college degree, a load of friends, and a happy family life, she still has never had a boyfriend...and she's barely even been on a second date. Throughout this laugh-out-loud funny book, you will meet Katie's loyal group of girlfriends, including flirtatious and outgoing Rylee, the wild child to Katie's shrinking violet, as well as a whole roster of Katie's ill-fated crushes. And you will get to know Katie herself -- a smart, modern heroine relaying truths about everything from the subtleties of a Facebook message exchange to the fact that "Everybody who works in a coffee shop is at least a little bit hot." Funny, relatable, and inspiring, this is a memoir for anyone who has ever struggled to find love, but has also had a lot of fun in the process. Are you searching for an exciting and naughty adult game to play at a party, sexy night at home, or on vacation? Look no further and try this outrageously hot version of *Never Have I Ever...* This daring and sexy game is an excellent way to learn about a partner’s sexual

Easy to play and there are no complicated rules! Robyn Bloom thought Ash Barnes was the love of her life - until one day he announced he was leaving her to fly halfway across the world. Months later, Robyn is struggling to move on - but then she has a brainwave: The Never Have I Ever Club. Her handsome next-door neighbour Will helps her bring their fellow Yorkshire villagers together for some carpe-diem-inspired fun. From burlesque dancing to Swedish massages, everyone has plenty of

bucket-list activities to try, but it doesn't take long for Robyn to realise what - or who - her heart truly desires: Will. There's just one problem: he's Ash's twin brother. Make that two problems: Ash is moving home... and he wants Robyn back. Mary Jayne Baker is the recipient of the RNA Romantic Comedy Award for A Question of Us. Astrophysicist-in-training Piper Minogue has a lot of control over her day-to-day life. Between completing a Master's degree at Caltech and beginning her fruitful career at a local observatory she has little time for socializing. Until she attends one specific party that is. There, Piper is introduced to a drinking game called Never Have I Ever, and she finds herself admitting to a secret fantasy which challenges her friends' views of her otherwise prudish nature. Her confession piques the interest of one man in particular, Noah; a handsome stranger with a darkly boyish charm. The resulting spiral of rapture and torture that follows is threatened by the demons of both their pasts. Piper's inability to give her heart to anyone, and Noah's guilt over the death of his former lover claw to the surface to tear Piper away from not only the one man who has ever made her feel like she does not have to be in control of her desires, but also the newly collected list of Nevers they both want to turn into reality. \*Contains strong BDSM themes\* NEW YORK TIMES BEST SELLER • "A gripping and poignant ode to a messy, loving family in all its glory." —Madeline Miller, bestselling author of Circe In this "rich,

complex family saga" (USA Today) full of long-buried family secrets, Marilyn Connolly and David Sorenson fall in love in the 1970s, blithely ignorant of all that awaits them. By 2016, they have four radically different daughters, each in a state of unrest. Wendy, widowed young, soothes herself with booze and younger men; Violet, a litigator turned stay-at-home-mom, battles anxiety and self-doubt; Liza, a neurotic and newly tenured professor, finds herself pregnant with a baby she's not sure she wants by a man she's not sure she loves; and Grace, the dawdling youngest daughter, begins living a lie that no one in her family even suspects. With the unexpected arrival of young Jonah Bendt—a child placed for adoption by one of the daughters fifteen years before—the Sorensens will be forced to reckon with the rich and varied tapestry of their past. As they grapple with years marred by adolescent angst, infidelity, and resentment, they also find the transcendent moments of joy that make everything else worthwhile.
