The Beekman 1802 Heirloom Vegetable Cookbook May 16 2022
The Beekman Boys return with a gorgeous, lushly-illustrated collection of heirloom vegetable-based recipes When Josh Kilmer-Purcell and Brent Ridge abandoned the big city for a goat farm, what started as a personal inquiry into natural living and re-connecting with the earth exploded into a wildly successful enterprise, Beekman 1802, named after their historic home. World-renowned for its handcrafted goat's milk soaps and artisanal Blaak cheese, the organic lifestyle brand has now taken over the Beekman gardens as well. The Beekman 1802 Heirloom Vegetables Cookbook is a delectable year-long trip through the Beekman vegetable bounty, and is packed with simple, delicious, and seasonal vegetable-forward recipes that will have readers counting down the months to green shoots every year. Readers will find a stunning package featuring tomato jam and refrigerator dilly beans; salt-roasted new potatoes and corn cake stacks with arugula and cheddar; marinated hangar steak and lima bean salad and grilled beets with ricotta, watercress, and almonds, and much more. With more than 90,000 Facebook fans, and almost 20,000 Twitter followers who follow their every move, The Beekmans are fast becoming a household name that immediately conjures up on-trend images of vintage country, upscale Americana. The Beekman 1802 Heirloom Vegetables Cookbook is fresh, informal, and vegetable-forward rather than vegetarian: omnivores welcome and suitable for everyone.

How Was It Possible? Jul 26 2020 As the Holocaust passes out of living memory, future generations will no longer come face-to-face with Holocaust survivors. But the lessons of that terrible period in history are too important to let slip past. How Was It Possible?, edited and introduced by Peter Hayes, provides teachers and students with a comprehensive resource about the Nazi persecution of Jews. Deliberately resisting the reflexive urge to dismiss the topic as too horrible to be understood intellectually or emotionally, the anthology sets out to provide answers to questions that may otherwise defy comprehension. This anthology is organized around key issues of the Holocaust, from the historical context for antisemitism to the impediments to escaping Nazi Germany, and from the logistics of the death camps and the carrying out of genocide to the subsequent struggles of the displaced survivors in the aftermath. Prepared in cooperation with the Jewish Foundation for the Righteous, this

anthology includes contributions from such luminaries as Jean Ancel, Saul Friedlander, Tony Judt, Alan Kraut, Primo Levi, Robert Proctor, Richard Rhodes, Timothy Snyder, and Susan Zuccotti. Taken together, the selections make the ineffable fathomable and demystify the barbarism underlying the tragedy, inviting readers to learn precisely how the Holocaust was, in fact, possible.

Another Roadside Attraction Oct 09 2021 "Written with a style and humor that haven't been seen since Mark Twain."—Los Angeles Times
What if the Second Coming didn't quite come off as advertised? What if "the Corpse" on display in that funky roadside zoo is really who they say it is—what does that portend for the future of western civilization? And what if a young clairvoyant named Amanda reestablishes the flea circus as popular entertainment and fertility worship as the principal religious form of our high-tech age? Another Roadside Attraction answers those questions and a lot more. It tell us, for example, what the sixties were truly all about, not by reporting on the psychedelic decade but by recreating it, from the inside out. In the process, this stunningly original seriocomic thriller is fully capable of simultaneously eating a literary hot dog and eroding the borders of the mind. "Hard to put down because of the sheer brilliance and fun of the writing. The sentiments of Brautigan and the joyously compassionate omniscience of Fielding dance through the pages garbed colorfully in the language of Joyce."—Rolling Stone
