*A Path to Excellence May 29 2020 A Path to Excellence" is Tony Jeton Selimi's latest edition in the series of self-help and self-mastery books: with a twist. Unlike everything else in the market, he aims to support you along the ever-evolving journey of positive development beyond oneself. Although reaching a vision of excellence is complex and requires patience, it benefits those who want to succeed and live a prosperous, successful, meaningful personal, professional and business life. With over thirty years of experience, Tony tackles the most prevalent problems that prevent you from growing into your full potential. He shows you how to use The Octagon of Excellence Method as an effective personal path to overcome frustrations, obstacles, and pains to climb greater heights. He outlines the eight essential elements of human excellence and details how you can apply them consistently and continuously to enhance your mental, emotional, spiritual, family, relationship, social, career/business, and financial performance. Perhaps most importantly, this book will help you see that you control your destiny through your choices, decisions and your focused actions. You are the only one who can take complete control of how much you want to excel—this alone puts you in a position to direct the course of your own life. In a nutshell, this book is a blueprint to break all your inner barriers and improve oneself in every aspect of life.*
