Today Is Monday Apr 24 2020 String beans, spaghetti, ZOOOOP, roast beef, fresh fish, chicken and ice cream are the delicious fare during the week in this popular children's song. Until Sunday. Then, all the world's children are invited to come together and share in the meal. Celebrated artist Eric Carle brings new energy to these much-loved verses as lively animals parade across the page, munching on favorite dishes, and introducing young readers to the names of the days of the week. In this heartfelt and universal story, a mother and daughter look forward to their special Saturday routine together every single week. But this Saturday, one thing after another goes wrong--ruining storytime, salon time, picnic time, and the puppet show they'd been looking forward to going to all week. Mom is nearing a meltdown...until her loving daughter reminds her that being together is the most important thing of all. Author-artist Oge Mora's highly anticipated follow up to Caldecott Honor Thank You, Omu! features the same magnificently radiant artwork and celebration of sharing so beloved in her debut picture book.

Monday's Not Coming Jan 22 2020 "Jackson's characters and their heart-wrenching story linger long after the final page, urging readers to advocate for those who are disenfranchised and forgotten by society and the system." (Publishers Weekly, "An Anti-Racist Children's and YA Reading List") From the critically acclaimed author of *Allegedly*, Tiffany D. Jackson, comes a gripping novel about the mystery of one teenage girl's disappearance and the traumatic effects of the truth. Monday Charles is missing, and only Claudia seems to notice. Claudia and Monday have always been inseparable—more sisters than friends. So when Monday doesn't turn up for the first day of school, Claudia's worried. When she doesn't show for the second day, or second week, Claudia knows that something is wrong. Monday wouldn't just leave her to endure tests and bullies alone. Not after last year's rumors and not with her grades on the line. Now Claudia needs

her best—and only—friend more than ever. But Monday's mother refuses to give Claudia a straight answer, and Monday's sister April is even less help. As Claudia digs deeper into her friend's disappearance, she discovers that no one seems to remember the last time they saw Monday. How can a teenage girl just vanish without anyone noticing that she's gone?
