National Insurance Contributions Sep 30 2020

British NIC Guide Dec 02 2020 Covering both law and practice, this manual provides a comprehensive reference source on the National Insurance contributions system. It covers all classes of contribution in detail, and includes checklists of contributions and benefit rates, mileage allowances and a directory of Contributions Agency offices. The practical guidance offered helps put theory into practice, highlights opportunities for contributions savings, and helps avoid penalties for non-compliance. The manual also covers the UK interaction with overseas security schemes.
